A WORD FROM US.....

Welcome to the second annual Somerdale Wanderers Six-a-Side tournament. With the success of last years tournament, we have decided to make it an annual event and hope to grow in the minds and calendars of local teams.

We hope that the weather will be as good as last year where, after some early storms, the day turned into one of the hottest of the year to date, and the atmosphere was a friendly and competitive one.

This years tournament has been cut down from last year. This is not due to a lack of interest, far from it, but simply that the weekend also happens to be the weekend of the F.A. Cup final, and it was felt that many teams would like to attend, but would also like to see the final. We therefore reduced the group sizes from two groups of eight, to two groups of six, for the under eight's to under eleven's, and then one group of eight to one group of six, for the under twelve's to under fifteen's. We hope next year to get back to a more favourable time in the footballing calendar, (most probably the week after cup final) and return to the slightly larger groups.

One of the effects of this decision to run with only a small amount of teams, is to try to raise the standard of games. We decided against having 'B' teams, (except where they exist in a league as two independent teams), in an attempt to provide a high standard of football. It is hoped that each team has brought its strongest team, therefore providing a healthy, competitive competition.

Can we provide a word of warning to all those involved at some stage over the next two days, and that is that we are situated on the grounds of a factory, and that the club and grounds are a privately owned facility. We ask that all boys and spectators stay within the grass arena as there are many heavy vehicles requiring access to the site. Also, as it is a private site, we ask that you respect it as you would your own club, and take your litter, etc., home with you.

Finally, can we wish you all an excellent tournament.

Yours in sport,

Somerdale Wanderers

With Many Thanks to...

Somerdale would like to thank a number of people and organisations.

We would first of all like to thank all of the teams who have entered our competition. This has been the second tournament that we have staged and we very much hope to carry on and create a competition that is the first in the diary of all of the local teams. This cannot be achieved however without your support and for this we thank you. We would secondly like to mention our appreciation to all of the referees who have given up their time to officiate for the boys. They have a long hard season and I'm sure that a lot of them would like a break, but instead they give up their valuable time to help us all. Many thanks. We would like to give a big thanks to St Johns Ambulance who have been represented on both days in case of any accidents. We hope that they never have to be called into action but at times it is inevitable, and it is at these times that we appreciate all of the hard work and commitment that they put in. We would like to thank the two clubs who have so kindly lent us the use of their portable goal nets, again, this tournament would not be possible without them. We would like to thank the sponsors of our trophies for their support and indeed all of the local companies who have supported us by putting adverts into this programme. Somerdale would like to thank Margaret and Terry field for the effort they have put in, the fund-raising committee who have helped so generously, and Frances Baylis for the help and support she has given me in organising the event. We would like to thank all of the staff of Fry Club who have arranged the pitches, moved goal nets, and served us drinks, in particular Pete Wilkins, the evening manager, and most of all Brian Davis for all of the support he has given Somerdale Wanderers in arranging this tournament, and indeed throughout the season. To you all, our thanks.

Andrew Glover (Tournament Organiser)
On behalf of Somerdale Wanderers.
