With Many Thanks to...

Fry Club Colts would like to thank a number of people and organisations.

We would first of all like to thank all of the teams who have entered our competition. This has been the third tournament that we have staged and we very much hope to carry on and create a competition that is the first in the diary of all of the local teams. This cannot be achieved however without your support and for this we thank you. We would secondly like to mention our appreciation to all of the referees who have given up their time to officiate for the boys. They have a long hard season and I'm sure that a lot of them would like a break, but instead they give up their valuable time to help us all. Many thanks. We would like to give a big thanks to St Johns Ambulance who have been represented on both days in case of any accidents. We hope that they never have to be called into action but at times it is inevitable, and it is at these times that we appreciate all of the hard work and commitment that they put in. We would like to thank the two clubs who have so kindly lent us the use of their portable goal nets, again, this tournament would not be possible without them. We would like to thank the sponsors of our trophies for their support and indeed all of the local companies who have supported us by putting adverts into this programme. Fry Club Colts would like to thank Margaret and Terry Field for the effort they have put in, the fund-raising committee who have helped so generously, and Frances Baylis for the help and support she has given me in organising the event. We would like to thank all of the staff of Fry Club who have arranged the pitches, moved goal nets, and served us drinks, in particular Pete Wilkins, the evening manager, and most of all Brian Davis for all of the support he has given Fry Club Colts in arranging this tournament, and indeed throughout the season. To you all, our thanks.

Andrew Glover (Tournament Organiser)

On behalf of Fry Club Colts.
