This evening we welcome Fry Club Colts from Bristol for a hastily arranged friendly. Fry Club are in the area on 'tour' and we are happy to give them a game. With Fry Club having a large squad to choose from there will be two games played this evening with both of the Lytchett Under 9 sides each playing against half of the Fry Club squad.

There is a buffet, raffle and refreshments being provided at Lytchett Legion after the game and everyone is welcome. Enjoy the games this evening and thank you for your support.

HOW MINI-SOCCER SHOULD BE.....

"Dont curse me for what I'm unable to do
But praise me for all that I can
Remember I'm only just eight years old
Ten more 'til I am a Man"

"Don't knock me when I may let my team down
For I'm as frustrated as you
I'll try harder and harder and harder again
For that is all I can do"

"And if things still aren't going my way
Still clap at the end of the game
For I have just entertained you
And our opponents have just done the same"

Please support both sets of players as they continue their journey into the wonderful world of football. Thank you for purchasing this evenings programme and for supporting Lytchett R.T. by doing so.
