Tom Baker had his own game to deal with, Jack Gooding had his lovely girlfriend and mother to contend with, Sam Pike was in London watching Amiee Pike and Carrie Churches perform *Les Miserables* on stage (well done to them), Josef was ill and James came along but also went home ill before he could play. There was also no sign of Jamie Godwin at kick off so Aaron was lined up to play in both games. Andy took control of both teams.

The Yellow Team were first on - The line up was:

Aaron
 Zac Jack Oscar
 Jamie C Mark
 Sam B

Rolling Subs: Luke, Jay & Tom

We kicked off and straight away Boco attacked with a big kick from their 'keeper which their Max lookalike chased but Zac chased back and cleared the danger for a corner. The corner was crossed over and at the back post the attacker was waiting unmarked to fire it back across goal into the top corner of the net **1-0**.

Another corner to Boco is well hit, half cleared but sent back into the danger area where **Zac** tried to intercept it but only succeeded in diverting it past Aaron **2-0**.

In response, Jamie got the ball in midfield and went for a run down the left wing but was tackled for a throw. A ball was played into our area, Oscar was unable to stop it but Aaron was on hand to make the save. Next the ball looked to have gone for a throw but was waved on. It was played into our area where Aaron made a stop, was played back into the area and Jack lost his boot and just missed Aaron as they both went for the ball. Aaron got it and made a great save. Another melee in our area where first Tom then Jack and finally Aaron blocked shots and saved a goal.

HALF-TIME: AEK BOCO 2 FRY 0

For the second half Boco launched straight into us. They won a throw which **Jack** headed upwards. It bounced a few times on the dry surface with Aaron unable to grasp it and ultimately bounced into the net **3-0**. The ball was then played past our defence, Aaron came out with both Tom and Zac getting back and all combined to stop a shot, which appeared to be going out. Our players stopped and Boco didn't. The attacker just kept it in and squared it to their other forward who stood alone by an open goal **4-0**.

A big kick by Aaron went out for a throw in their half. Mark won it and beat three players before being tackled by a fourth and the ball went out for a throw. Another throw to Tom was crossed in and handled just outside of the box. Tom took it but dragged the ball wide of the right hand upright. Near the end, Boco won a corner. It was hit hard and went in off of **Aaron 5-0**. In the last minute Tom stormed through and shot, but the 'keeper made a great save.

<p>Man of the Match – Chosen by Tim Carreyett, for always looking dangerous when he had the ball – Jamie Charles</p>
--

The Green Team were next and Jamie had arrived:

Jamie G
 Jordan Charlie
 George Ethan Joe
 Max

Rolling Subs: Sam K, Dan

We kicked off and were on the defensive. Jamie had the ball and missed his goal kick so picked it up again outside of his area. The free kick was well struck as we milled around, it ricocheted off of Charlie across goal to an unmarked Boco player who passed it into the open net **1-0**. From a big kick by Jamie, we won a throw in their corner. Max got the ball and passed it to Joe whose shot was just wide. Joe then went on a blinding run down the wing and is eventually tackled for a corner. The corner was cleared and Max scampered after it, turning with it and wrong footing four Boco players at the time but he was unable to score from it.

Two Boco players then attacked against Charlie. He made a great tackle but fell at the same time and the quickest to react was another blue who buried the ball into the far corner

2-0. Our team then decide to all attack together, which didn't quite work. Boco broke out but Sam sprinted back and made the saving challenge. The next attack however resulted in a goal as we all stood still as the ball pinged around the box and was eventually put in the net **3-0.** Sam picked up the ball on the halfway line, ran down the right wing past three players but hit his shot into the side netting.

HALF-TIME: AEK BOCO 3 FRYS 0

For the second half we started like we did in the first. Confusion outside of the area with no one taking control and a shot is blasted from 20 yards into the back of the net **4-0.** Ethan then took a blow to the nose and had to come off for a while. We won a corner and the ball came to Joe just outside of the area where he was fouled. He got up to take the free kick but hit it wide. Their goalie did a poor kick out. **Joe** won it and hit it back with venom, high over the 'keeper and into the net **4-1.** A throw bounced over our players who stood and watched it go to a Boco player and hit buried it high into the roof of the net **5-1.**

A corner was then hit into our area. A Boco player hit the ball instinctively goal wards where it came off of Jamie's head and into the net **6-1.** That was the last real action of the game.

FULL-TIME : AEK BOCO 6 FRYS 1

Man of the Match – Chosen by Sam Sutton for all round good effort and commitment – **Jordan Harris**

OVERALL RESULT : AEK BOCO 11 FRYS 1

***Afterthoughts**.....*
Boco moved the ball better than us, were quicker to react than us and generally wanted to win more than us. Not technically better, just more desire. That is not something we can teach, it has to come from our players.

They also had at least three players able to drag the ball backwards, turn and go. We can do this, but no one does as yet. Hopefully that will come with time and practice.

One thing I will say to the players however. We are here to play football and not muck about. They need to remember that when the management team are trying to instruct them and give them advice!

Another request. I am looking for someone who would be willing to take on the duties of match day reporter. All I want is five or six major points each half detailing how and what happened, including score and goal scorer. I will then do the rest. It would allow me to concentrate on the game more. Perhaps a few of you taking it in turns. Any offers?
