Bradley Stoke turned up and I felt they had a real cheek, they copied our jackets! Jamie C & Max were away so nine in each team. It started to rain at kick off.

The Green Team went first - The line up was:

Aaron  
 Mark    Oscar  
 Sam P    Ethan    James  
 Sam K

Rolling Subs: Charlie & Joe

We kick off but within seconds Sam P had come off feeling unwell and had to go home, Joe went on to replace him leaving us with eight. Stoke signalled their intentions from the start as a good flowing move got them into the box, around Aaron and a shot flew in. Luckily, Oscar had gotten back and blocked the shot, which was deflected out for a corner. They broke again with three attackers closing in on Oscar. Fortunately one of them slightly over hit it and Oscar made the clearance. Joe made a quick break out, and he passed it up to Sam, but he was crowded out as he approached the goal at the expense of a corner. A mix up between Aaron and Oscar almost lead to a goal but the ball was cleared. Stoke attacked, Charlie tried to tackle but they had numbers over and it nestled in the far corner **0-1**. Joe led the counter offensive. He ran past one player, shot from distance, the 'keeper spilled the ball, but we had no one following up and the chance was lost. Stoke attacked back after Mark passed the ball cross-field to them, but Aaron sprinted from his goal and made a strong tackle on the edge of his area. Stoke then attacked down the left wing and their captain ran forward with the ball. Twenty yards out he leathered it and it flew in off of Aaron's knee **0-2**. From a good high kick by Aaron, Charlie headed

the ball on and Sam chased past a player but just took it too far and it went for a goal kick.

**HALF-TIME: FRY'S 0 BRADLEY STOKE 2**

The ball was played up the left wing and Joe hit a lovely ball through for Charlie to chase. He closed in on the 'keeper and hit a good high shot which the 'keeper did well to get his fingertips to at the expense of a corner, only for play to then be brought back as the ball had just gone out of play when Joe passed it. The ball was crossed into our area past two players and Oscar took the ball in the chest from a shot. He recovered well and helped Aaron block the rebound out for a corner. Stoke broke (see, you get poetry as well as football in these reports), the ball ran in their favour, wide and into the back of the net **0-3**. Stoke attacked again, with both Aaron and Mark sliding in with blocks. Unfortunately a Stoke player was the quickest to react of all of the other players and it soon found itself in the back of the net **0-4**. Joe broke out and hit a good ball forward to Sam. His touch took him past the last defender. He hared after it and had a shot, but the 'keeper saved. It was the last real attack.

<p><b>Man of the Match</b> – Chosen by Jack Gooding for excellent play and non-stop hard work – <b>Mark Gratton</b></p>

Yellow Team - The line up was:

Jamie G  
 Jack    Tom  
 Jordan    Luke    Josef  
 Zac

Rolling Subs: Sam B & Dan

The game started and a concern was heard from Sandra Yeoman about the look of Jack in terms of the fashion industry. It threw up some interesting questions; shirts tucked in – Paris style, shirts out – Milan style, collars up or down, mud on one sleeve or both? I was so perplexed by the matter that I went and

sat down in a dark corner to puzzle it out and missed the rest of the game... (Just kidding Sandra, you know we love you!)

Tom got the ball and went wide, saw Zac in a good position and tried to pass the ball to him but it was intercepted. Next the ball came across to Zac who hit a great 30-yard ball forward to Luke but again it was just intercepted. We gain a corner, which was hit out to Tom. He shot well and hard but it was deflected wide. At this point Luke told me that he has 4 teeth missing! The Tooth Fairy must be busy in his house at the moment. Jack went in on a 50-50 ball and won a great tackle releasing the ball through to Zac who was in on goal. Unfortunately, their player went down under the challenge and the ref called the game back.

We got a throw-in on the far side of the pitch, which Josef decided to take with a one-armed goalie throw. Fantastic! Jordan then hit a lovely ball threw which Dan took up, but their last defender was able to get a foot to it and clear. Joe took a great corner to Zac who shot into the crowd, it came back and he shot again but the crowd cleared. Sam picked the ball up on the halfway line, sidestepped two players and passed forward to Dan, his first touch took him slightly too wide and his final shot was into the side netting.

**HALF-TIME: FRYS 0 BRADLEY STOKE 0**

In the second half, they had one of their very few attacks, and it resulted in a corner. The corner was hit in hard, and was met at the near post by **Sam** who used his knee to hit the ball hard and high. Unfortunately he was facing our goal at the time... **0-1**. Moments later and Tom came across saying that his chest hurt and he ended up having to go home. To be fair to him he had played an excellent game despite not looking himself, right from the start. Whilst Tom was coming off, and before we had a chance to get a replacement back on, three of their player's attacked and Sam managed to stop all three of them. Back to seven players and we exerted our pressure again. Josef attacked down the wing but was tackled for a throw. Sam then got the ball and crossed in a dangerous ball to Zac but again it was cut out. Sam won the ball in defence, advanced to the halfway line where he hit it forward to Zac. Zac then muscled his way past two players and as he shot, a defender got his foot to it and the ball deflected for a corner. Sam won the ball in defence again and passed forward to Zac, he hit it on to Josef who ran in on goal. With Dan waiting in the middle, Josef elected to shoot and the 'keeper made a good save at the near post.

**FULL-TIME: FRYS 0 BRADLEY STOKE 1**

**Man of the Match** – Chosen by Tom Baker for a great display of defending and good play – **Jack Yeoman**

**OVERALL RESULT: FRYS 0 BRADLEY STOKE 5**

### *Afterthoughts.....*

*Definitely two games that we could have won. We had better players than them, but they used the ball better than us, and ultimately the score bore that out. It is encouraging however, to see more and more passing amongst our team. It'll come.*
