A drive to north Bristol and the weather didn't look good. When I asked for match commentators everyone took a big step backwards. Still, at least the weather held.

First up were the Yellow Team - The line up was:

Aaron
 Zac Tom
 Jordan Max Dan
 Josef

Rolling Subs: Sam B & Jack Y

We attacked from kick off and gained a throw on the left. Tom took the throw, Dan cushion controlled it with his knee onto Josef's Chest where it dropped and stuck to his foot like a magnet... Actually, Tom took the throw at Dan who was running in, it hit his knee as he ran and shot straight at Josef's chest, knocking him backwards, but luckily fell at his feet. It sounds so much better the first way though!

BRSJ broke down our right wing but a great last-ditch tackle from Tom forced a corner. From their corner, Dan ran in and some nice tackling broke up the attack. Rovers attacked again and this time it was Jordan with a strong challenge and Josef clearing the ball further down field. Josef was again called into action and this time it was Zac who made the final clearance. Rovers attacked again down the right and this time Tom made an excellent sliding tackle, which left the Rovers player needing treatment. It was a fair tackle however. Rovers then attacked down the left and our team ran across to that side. That meant that when the ball came in, there were two unmarked attackers in the box. The first one missed the ball and then Aaron dashed from his line and tackled to clear from the second one.

Tom tried to break out of defence and was tackled. They looked to be through three on one but Jordan stood firm and made the tackle. He passed to Josef and he passed on forwards to Max. Max went past two players but couldn't beat the third and it went out for a throw. Zac then tackled the last Rovers defender on the halfway line, ran forwards with the ball, did a great rugby handoff to the other defender and shot, but it was just wide. Josef took a great corner to Dan, he turned and hit it into the box, Rovers cleared the ball but only as far as Jack who was just outside the area and he returned it first time, high and hard but unfortunately just scraping the left of the post, to many "Ooooohhh's" from the side. Rovers then won a corner on the left, cut in with the ball and shot, but Aaron made a great save.

Tom launched straight into a run down the left wing but was tackled for a throw down by their area. Rovers then broke two on one against Jack but they over hit the ball and Jack nipped in to clear it. They attacked again down the left but Tom slid in and cleared it. Jordan then took a throw to Max. He turned and ran down the wing but was challenged just as he was going to cross it. A big kick by Aaron was brought down by the Rover's tallest player. He ran past Jack but Tom was on hand to stop him. Tom cleared a great long ball to Sam. He turned two players and bore down on goal but was just tackled as he neared the area.

From a corner, Tom had a shot. It was cleared as far as Sam and he shot but was deflected out again. Tom ran with the ball out to the left and tried to get a cross in but was challenged. Rovers then attacked down our right and crossed a hard ball in to the middle but Aaron was on hand to put the ball out for a corner. Aaron won the ball and kicked out. A Rovers player won it, ran left and then cut back right sending three defenders the wrong way and shot low and hard past the despairing dive of Aaron into the far right corner of the goal **1-0**.

From the kick off, Tom passed to Sam who ran forward then passed back to Tom. He ran towards the area and shot but the 'keeper pushed it wide. From a throw to us, Dan took the ball on his chest and turned as it was falling, going past a defender in one swift move but he was tackled by the next defender. It was a great turn on the chest though. From a goal kick, Tom won the ball and went past two players before hitting a lovely ball forwards to Zac, however a Rovers defender just got a touch on the ball and deflected it out for a corner. From the corner, Sam has three consecutive shots before Tom had a go. It came to Max who turned past a defender and shot but the 'keeper saved. A Rovers attack is pushed onto the post by Aaron. Jack got the rebound, passed to Tom and he passed to Zac but he was challenged for a throw.

<p>Man of the Match – Chosen by Ian Pike for excellent play and hard work all over the pitch – Tom Johnson</p>

The Green Team went next - The line up was:

Jamie G
 James B Oscar
 Sam P Charlie Sam K
 Joe

Rolling Subs: Jack B & Mark

Ethan was not available today so when the ref' called for captains, Joe strolled forward and took the responsibility without being asked. Nice bit of opportunism!

From the kick, we won a throw. Joe received it and ran down the right wing before cutting in and having a shot but the 'keeper made the save. They then had a corner, which Sam K cleared. Joe chased it as far as he could and ended up winning a throw by their corner. Rovers attacked through their large attacker, past James and it took Oscar & Sam K to put him off to allow Jamie to make the save. They attacked again and James made a strong tackle and Oscar cleared. The ball came to Charlie and he beat a player before passing to Sam P. He passed forwards to Joe but it was cut out. They attacked again and Oscar tackled.

Rovers had a corner, which Jamie caught. He decided to throw to James, but James lost it and Sam K had to tackle back strongly to clear the danger. They got it again and this time Sam P stopped the ball with his legs. With the danger still not cleared Joe got in and ran out with the ball. Rovers soon picked up the ball again and ran through our defence, which decided to watch, Jamie stayed on his line and the ball was hit high into the net **1-0**. They attacked almost from the kick, through the defence **2-0**. We attacked and were rewarded with a handball. Charlie shot but it was cleared, Sam shot twice and on the second attempt the 'keeper put it out for a corner.

There was a goalmouth scramble, which no one managed to clear and the last touch put it in our net **3-0**. Mark decided that, on his birthday, he was going to go for goal. He broke out of defence, shrugging off two players, ran down the right past a defender and then cut inside the last defender. The 'keeper was off of his line quickly though and just got a hand to it before Mark. A great run though!

HALF-TIME: BRSJ 3 FRYs 0

Both Joe and Jack went on a run together but it was cleared long. Mark was left facing the combined attack. They passed it past him and shot early **4-0**. Rovers attacked again but James was on hand with a strong tackle and pass to Joe. He went forward but his shot was wide. Jack took the ball forwards, beat one player, then another, passed it inside to Joe who shot but the 'keeper made the save. Mark cleared a Rovers attack to Joe. He passed inside to Jack who beat a player and passed it back and Joe's shot was blocked by a defender for a corner. Joe took the ensuing corner.

Jack won it and turned a defender. He was held back in the challenge and a penalty was awarded. Joe stepped up to take it and shot to the 'keeper's right. However, the 'keeper guessed correctly and palmed it away. Joe chased after it and won a corner. The corner was cleared downfield where their big attacker held off Mark and shot past Jamie **5-0**. Jack got the ball, passed left to Joe who ran forward and had a shot/cross, which Jack just failed to get on the end of. Rovers attacked again and this time the shot was saved by Jamie for a corner. Jack got the ball and ran through three challenges before passing to Joe whose shot was just wide.

Charlie kicked out to Sam K who ran past three players but was tackled for a corner. Rovers attacked again and their big player hit an unstoppable shot **6-0**. Charlie received the ball in their box, stepped left then right but the shot was just wide. They tried to break forward but Sam P slid in with a good challenge. Charlie won the ball again, passed wide to Joe and he crossed back in. **Charlie** got there just before the 'keeper and side stepped him to leave an open goal **6-1**. Mark then hit a corner in to **Joe**. He turned onto his left and hit the ball low past the 'keeper **6-2**.

Man of the Match – Chosen by Dave Churches for a great display of good play on his full debut – **Jack Burgoyne**

OVERALL RESULT: BRSJ 7 FRYs 2

Afterthoughts.....
Not quite the result we were looking for as the Green Team seemed to be asleep for the first 30 minutes before waking up and showing that they can do it in the last ten. The Yellow team however had played well from the start and really deserved to win the game.

Jack Burgoyne was a worthy winner of the MOTM award as he slipped nicely into the team and it was good to see that he was passing the ball right from the start.

Let's hope it was just a blip and that we can get back on track this coming Sunday.
