U7 MATCH REPORT U7 MATCH REPORT SALTORD STARS V FRYS COLTS U7 MATCH REPORT U7 MATCH REPORT

Due to various complications, we had to switch to Saltford's ground, which had not been cut recently (much to their annoyance as they pay until the end of April). Maurice Baker took the whistle for the first game and Tim Carreyett took over for the second. It was a beautiful day to be playing football (if a little hot).

First up were the Yellow Team - The line up was:

Aaron

Jack Y Sam B

Sam P Dan Ethan

Luke

Rolling Subs: Zac, Sam K & Max.

Ethan went on a good run which was cleared. Dan chased back to win the ball and he passed it back to Sam B. He in turn passed back to Aaron to avoid any danger. Dan then ran down the left wing, going through three strong challenges and emerging with the ball before eventually winning a throw. Next we had the absolute mother of all goalmouth melee's with five shooting and five defending before the Saltford 'keeper finally picked it up. Ethan won the kick, went wide and shot, but the 'keeper saved. Dan then ran through two tackles and lost out at the last minute to the 'keeper. Sam B then got the ball, saw a wall of players in front of him, so passed it wide to Sam P and he forwarded the ball to Ethan but it was cut out.

Dan again attacked and the ball came loose to Luke but his shot was just wide. A poor kick by their 'keeper was won by **Ethan**. He shimmied past one player and shot **0-1**. Sam B won the ball in our defence and passed across goal to Jack. He then went on a great run right down the line but was forced out for a throw to Saltford. Sam B ran out of defence with the ball, passed to Ethan who shot past the 'keeper but it hit the post and rolled along the goal line and the 'keeper was able to get it. Stars had a rare attack and Aaron came out to smother it. It bobbled loose however and Sam K was there to clear the danger.

HALF-TIME: SALTORD 0 FRYS 1

At half time, Luke advised me that he was "sweating like a pig!" Sam K won the ball and sprinted forwards before playing the ball to Zac. He took one touch and shot, but it was just to the left of the post. Luke played a good ball down the right to Zac who hit in a great cross but no one was there. As they tried to run out with the ball, Max missed the ball, but took the player! For the last ¼ of an hour, Ethan went in goal and Aaron emerged to do battle. **Zac** picked up a good throw, advanced a little and from 15 yards hit a

shot that the 'keeper couldn't get to **0-2**. Good attacking play when Max passed forwards to Zac, who hit a lovely ball inside to Aaron who had a shot which the 'keeper saved, Zac had a shot, then Max, but the 'keeper saved them. Zac was through again and hit it high, but it hit the top of the crossbar and went over. With five minutes to go, Sam B was looking tired so he went in goal and Ethan came back out.

Aaron won the ball by their corner, beat two players and hit a shot which hit the outside of the post and went for a goal kick. Jack played a great ball wide to Ethan and he crossed it in. Zac controlled it well, turned and shot, but the 'keeper saved. Jack was the last man and he calmly played it back to Sam B in goal. His first time kick was right over the top of the Stars to Max who controlled it brilliantly and passed to back to Jack and from him wide to Zac but he was tackled. It was however a good move. Jack again defending hit a great ball forwards to Ethan who went past three players but his shot was just wide. From a poor kick, Max won the ball and had a first time shot which was just wide. Aaron won the next ball out. He passed wide to Max who crossed into the middle where the waiting **Zac** had an easy task **0-3**. Aaron won the ball again and passed through their defence to **Sam K** who turned and shot **0-4**.

Man of the Match – Chosen by Andy for a great display of effort and determination – Max Stevens

The Green Team went next – The line up was:

Jamie G

James B Oscar

Jordan Tom Charlie

Josef

Rolling Subs: Joe, Jamie C & Mark

Due to Saltford not having enough players, Callum, James M, Jack P and Haydn all agreed to play for them in the second game. Tom signals his intent from the start and went wide right, down the line and crossed his ball in, however the 'keeper was there. Tom then went wide left, past the 'keeper but his shot flashed across the face of the goal. James M and Callum combined well to clear the ball for the Stars and they got to the halfway line before being stopped by Tom. Charlie got the ball and passed wide to James B and he played a lovely ball into Jordan. James M had gotten back however and got the ball to Callum and from him to Haydn who ran the ball clear. Josef went on a run into the heart of the Saltford defence but as he neared the goal, Haydn was there to stop him.

Tom went wide and crossed to Charlie but the 'keeper managed to stop the shot on the line. Charlie should then have won a corner from his deflected shot but the dodgy refereeing from Tim denied us... Tom drove into the heart of the Saltford defence but both James M and Jack P combined to stop him from getting a shot away. Charlie attacked but again Jack P was on hand to stop him.

And Haydn cleared it well. Tom crossed it in and Josef hit a lovely shot that squirmed under the body of the 'keeper and we thought, into the goal, but again the Ref denied us (I think he was paid off). Josef and Jordan launch an attack but Haydn, Callum and James M combined well to stop us. At this stage our constant attacking was being held by Saltford, mainly by our four boys, but this had to eventually change. James B won the ball and played it well down the line to Charlie who crossed it. **Tom** emerged from the melee with the ball and took his goal well **0-1**.

Josef and Jordan had shooting opportunities before **Tom** finished it **0-2**. At this stage I felt that it was unfair on Jamie G to be stuck right at the back on his own so I encouraged him up as a last defender. Not quite grasping the situation however, he fell onto the ball at the halfway line and gave away a free kick. That said, his area wasn't actually marked out... Saltford did get into our area but Jordan was on hand and he cleared it. Jordan was then almost through but James M and Haydn stopped him. Joe then hit the ball wide right to James B who was rushing forward and he hit his shot across the 'keeper but he managed to dive on it and make the save. Saltford made a rare break leaving Jamie G stranded but as they came in on goal, Jamie C came flying across and made a last ditch tackle to clear it. Joe then broke out of defence and ran the length of the pitch before hitting a great shot which the 'keeper pushed over the bar by raising his arms to protect his face. The corner came in and our 'keepers shot was saved by their 'keeper.

HALF-TIME: SALT FORD 0 FRY S 2

Jamie C was first up with a shot that the 'keeper saved, the rebound was hit by Joe, then Jamie C then Joe, then Josef, but it was finally cleared. A poor clearance by their 'keeper was picked up by **Joe** who accelerated past one player and hit it high into the net **0-3**. Mark ran down the right but his shot went across the face of the goal. Three times in succession our players tried to get Josef a goal, but he missed kicking the first two and the third was saved by the 'keeper. But well done to our players for their sharing attitude. Stars break and Jamie G as last man went for a big clearance. Unfortunately it ricocheted behind him and from 25 yards their forward shot towards an open goal. It actually hit our right post and the grateful Jamie dived on it.

Joe won the ball on the halfway line and passed to Tom. Tom dissected their defence with a ball to **Mark** just two yards from the goal and he controlled it on the turn and lobbed the 'keeper with his left foot **0-4**. They had a carbon copy break with Jamie G's clearance again being charged down and with Oscar for support, Jamie C slid in and cleared the ball. Charlie broke quickly and won a corner. From the corner, Tom crossed to **Charlie** and he turned and shot high **0-5**. Another corner came to **Mark** and he turned and buried it through the 'keeper's legs **0-6**. Tom crossed again and this time **Charlie** was there to hit it low into the corner **0-7**. By this time Oscar had taken Josef's place up front but like Josef, he was just unable to latch onto the through balls.

Afterthoughts.....

It was nice to keep our 2nd complete clean sheet of the season as well as confirming that in the Frys/Keynsham/Saltford reckoning, we are the best team. We looked better as a team on Sunday then in many games this season and we constantly passed the ball around which was nice to see.

Callum, James M, Jack P & Haydn put in creditable performances and were for me the best players in their team which is also nice to see. Well done to them
