Unfortunately, the person who had arranged our tour games so well last year, got it horribly wrong this year. As a consequence, we only faced one team. The decision taken meant that we would play 30 minutes each way, with one of our teams playing the first half, and the other playing the second.

Game 1 - The line up was:

Jamie G  
Jack Y Sam B  
James B Jordan Dan  
Sam K

Rolling Subs: Aaron S, Matt L & Josh

They attacked straight away and somehow managed to get the ball in the net **1-0**. Within a few minutes of the restart, Sam K got himself injured, Matt took his place up front. Dan tackled well to win the ball, and he chipped it to Matt, but his shot was just over. Sam B defended well, won the ball, and then went on a run, which was finally stopped at the expense of a throw. Chickerell did attack as well, Jamie pulling off a fine save to deny them. Sam B then played the ball through their defence to Matt, but his shot was just wide. Sam B then played in Aaron, but he was tackled as he went to shoot. Matt tackled back well, ran forward with the ball and chipped the ball through to **Aaron**, who made no mistake against the advancing 'keeper **1-1**.

Jack then won the ball and played in Matt, but his shot was wide. James won the ball from the kick and passed it to Josh. Josh then fed **Aaron** down the line and he cut inside and hit an absolute screamer to put us in the lead **1-2**. Jordan tackled well in midfield, not

giving up and forcing the Chickerell defender to pass to Matt. **Matt** then shot low from the edge of the area and it zoomed past their 'keeper **1-3**. Aaron then went on a run, passed inside to Josh, but his shot was wide. Dan then tackled well, got the ball to Matt and he was only denied by the post. We had committed a lot of players forward and then they broke against just Jack. Luckily, that was all we needed as he cleared downfield to Josh, whose shot was saved by the 'keeper.

Terry Hill took up the Dictaphone for the second game, which very soon became a "Comedy Commentary". Read on!

Game 2 - The line up was:

Jamie G  
Mark Oscar  
Josef Luke G Spike  
Joe C

Rolling Subs: Charlie G, Tom & Luke A

Chickerell attacked as with the first game, but Jamie made a good save. The next shot however, from 20 yards wasn't dealt with so well and it flew through his hands **1-0**. Jamie made amends on their next attack however and he cleared it to Joe, whose run and shot was blocked. Chickerell then ran through our defence, but Jamie made another good save. We were leaving Jamie cruelly exposed however and the next shot went in under his foot, although you will notice that our defence haven't been mentioned yet and already it was **2-0**. **Joe** took matters into his own hands and went on a run, which he followed with a thunderous shot, followed by the trademark cartwheel celebration **2-1**. Next, our defence (they finally get a mention) made a mistake and left Jamie no chance **3-1**.

They attacked again and we finally saw what some of us thought would never happen, and what we had waited three years for, Josef's first foul, as he upended a Chickerell player on the halfway line. Our defence had just gone on walkabout and a shot flew into the far corner of the goal **4-1**. Josef tackled well, and played the ball to Spike, but his shot was wide. Oscar stopped Chickerell in their tracks, with a timely interception and pass to Tom. Luke G then got the ball and passed it in the right direction, which Luke A got and managed to force a corner with. Jamie was in action again with a good save, and from the rebound, Luke A ran the length of the pitch, but just ran out of space. Jamie made another good save, and released Charlie, who found Josef, and he passed onto Tom, but his shot was wide. We had committed forward and Chickerell used that to their advantage **5-1**.

Next, Jamie was caught out of position as Chickerell attacked down the right and crossed the ball in **6-1**. Charlie tried to get one back, but his shot was just wide. At this point Josef had a turn as sub and to quote Terry on the mic, 'It is an absolute travesty' Terry then tried to get a few words of wisdom from Josef but he had a bag of Quavers and a drink! Back on the pitch, and Joe was played through by Spike, but he just missed the target. Mark was then left badly exposed against three Chickerell players, but he managed to stop them. Jamie however took his eye off of the ball on the next attack, with predictable results **7-1**. Joe was played in by Tom, but his shot hit the post, and then out.

At this point Fran Glover went on a streak and managed to get into a fight with other parents, although I don't personally remember that happening, but it's what Terry recorded on the mic! Joe then took a great shot after being put through by Luke A and was unlucky as it just went over. Tom played a lovely ball through to Charlie, but the 'keeper saved it. Tom then went on a great run up the left and crossed it in to where Charlie was waiting, but he misjudged to pace of the ball, and it flew past him. A cross came in and Tom met it with a fantastic header which smashed into the crossbar and out again. We then had a scramble in their area and three of our players tried to get to it, but in the end, the grateful 'keeper fell on it. Tom then finished the game with a 25 yard shot which flew inches wide.

*Afterthoughts.....  
This was an interesting game to observe. We dominated the first game, and deservedly won, although it could have been more, but in the second*

*game, some of our players gave up as more goals went in. It was the first time I have seen it happen to our team, and don't particularly like seeing it. I admit some of the conditions were against us. It was only a tour game, it was cold, it was wet and it was windy, but then again, they never stopped!*
