Our first taste of the Cup, and against an 'A' Division side. Unknown to Andy, the batteries were almost gone on the dictaphone, hence the rather sketchy report.

Game 1 - The line up was:

	Joby	
Jack	Callum	
	Tom	
Ethan	Josh	Max

Rolling Sub: Luke

After a bit of nothingness, they attacked down the middle and Callum got his toe to it and suddenly Max was one on one with their defender. Unfortunately he just got there after and it was cleared. They had a free kick but we defended like raging bulls, blocking every attempt, however Jack was injured in doing so and had to hobble off with Luke going up front and Tom dropping back. We then came under some sustained pressure, which culminated with a high shot from twenty yards to which Joby leaped up and tipped it onto the crossbar and over. We still fail to clear the area and it eventually came to a St Nick's player unmarked in the middle and he gave Joby no chance **0-1**. The ball was played into our defensive left corner, which we all thought would go out. Their player got to it and crossed, and as we struggled back, their player came in at the back post and just hit it wide. We finally began to find our feet and some good tackling by Luke got the ball to Josh and his shot was brilliantly saved by their 'keeper for a corner. From the corner however they surged forward but luckily the last player back, Callum, got to it and cleared. Jack then had to be on his toes to clear a dangerous attack. Halftime came with a third injury to Josh as well as one to Luke and

Jack in the half!

**HALF-TIME: FRYS 0 ST NICK'S 'A' 1**

We gained a corner, which was headed on by their player and met by Ethan with a header of his own but it was just wide. Tom went down with an injured head and from the resulting drop ball, they attacked and it needed a brilliant sliding tackle from Callum to prod the ball back to Joby. From a throw, Tom cross to Ethan's chest but it just dropped for their 'keeper. We up the pressure and a corner from **Tom** was hit in hard and low and deflected off a defender inside the near post **1-1**. From a Saints goal kick it came to Josh. He passed it to Max and from him onto Ethan and **Ethan** calmly slotted it under the 'keeper **2-1**. Max then won the ball but his shot was blocked by a great sliding tackle.

Game 2 - The line up was:

	Jamie G	
Mark	Sam B	
Jim	Sam K	Spike
	Joe	

Rolling Sub: Dan

We started the game looking better but they did have the odd attack. The first of which wasn't cleared and Jim passed across our goal to a Saints player who gave Jamie no chance **0-1**. A throw to Sam B was played to Sam K and he crossed to Spike but the 'keeper just got there first. A great passing move by Mark and Jim ended with a cross from Joe, but Jim's header was saved. Sam K then passed wide to Joe and ran for the box. Joe returned the favour but Sam just couldn't get his foot to it. A throw from Spike to Sam K and passed through to Joe, and his rasping

shot was pushed onto the crossbar for a corner.

### HALF-TIME: FRYS 0 ST NICK'S 'A' 1

We started to push a bit further forward to try to get the win but Jamie's goal kick fell short and we were left exposed at the back and were unable to stop St Nicks taking the overall lead **0-2**. Mark was then alert to stop a quick break. Sam B was injured so Sam K dropped back into defence and he stayed there for the rest of the game. What followed was absolute non-stop attacking by us without being able to score. I saw shots from Dan, Mark, Spike, Sam B, Joe, Sam K & Jim, all either saved or wide. We were passing the ball well amongst ourselves but it just wouldn't go in. The last fifteen minutes saw two attacks from St Nicks, and the rest was our team trying to get the equaliser but we just couldn't

### FULL-TIME : FRYS 0 ST NICK'S 'A' 2

**Man of the Match** – Chosen by Michelle Evans for excellent play – **Jamie Charles**

### OVERALL RESULT : FRYS 2 ST NICK'S 'A' 3

#### Afterthoughts.....

The first game was more for the Saints as they looked a strong side, but we kept going and as they tired, we pounced and I thought were good value for the win. The second game saw us much the better team and in all honesty I cannot really remember Jamie being tested more than five or six times. We should have put the tie beyond them by half-time but they took their chances and we didn't. Such is the nature of all games, but especially cup games. The boys played very well against an 'A' Division side and showed that we are more than capable of playing at that higher standard when the time comes.

Due to the nature of my selection policy I have come to the decision that I will rest all of the team at various points this season. With that in mind I have pinpointed four more games where I will rest four players per game. I will also give you the list in advance so if I rest a player for one game but he will be away for another, he can let me know and I will change it. This will however only be relevant to the four games mentioned and if you are away elsewhere it won't count. By doing this everyone will be 'rested' once this season, as opposed to being ill or on holiday.

Oct 23 – Fry's Jnrs – Sam B, Ethan, Jim & Max  
 Dec 4 – Ashton Boys – Joby, Mark, Josh & Callum  
 Dec 11 – Broadwalk – Tom, Sam K, Joe & Jack
