Jack was away and Josh was ill, so Jim transferred to the Green team for the day. Most of the Yellow team were at the pitch warming up before 10.00am. The opposition however arrived well after ten, and we were worried that the game was even on! Impressively, on the big pitch next to us, Henbury had the same concerns until their opposition finally turned up, although they were playing Avon. The pitch was wet and heavy underfoot. Would that have an effect?

Game 1 - The line up was:

Joby
James Sam B
Luke Ethan Max
Josef

Rolling Subs: Sam K & Mark

The game started at a very fast pace. Ethan ran, passed to Luke and he got it through to Josef, but his shot ran wide. James & Max then battled hard on the left side to stop their attack getting through. We attacked, they cleared to halfway and Sam B took a long shot. Max played the ball up field to Ethan, but his shot was blocked and they attacked back. Max then took on three of their players but it was just too many and he was unable to get through. Mangotsfield then broke through and Joby was out to block. Joby then kicked long, but our midfield had gone too far and left the defence exposed **1-0**. Luke attacked down the wing, got past one, but two more came in to clear. There was then a melee in the area and Sam B was strong to clear it.

They then attacked again with some quick inter-

passing amongst their forwards that had our players going in circles and they gave Joby no real chance although he did get a leg to it **2-0**. Sam K ran up the wing, past three defenders but his cross was cleared for a corner. The first was put back out, and the second was partly cleared to where Mark was waiting, but his shot was deflected wide. Sam B took a great high corner which was met by Sam K, but unfortunately it was over. They came again, but Sam B was in the right place to clear. Mark then headed a corner clear, followed by another. Sam K battled for the ball, but his final shot was agonisingly wide. The struck straight back, but Joby made an important stop.

HALF-TIME : MANGOTSFIELD 2 FRY 0

Joby threw to Mark and he passed to James. James played it to Max who went on a great run. The ball came into the middle where Sam K shot, the 'keeper lost it and it appeared that a defender fell and used his hands to stop it going in before it was cleared. The Ref didn't see it though. Joby kicked wide to **Ethan** but he was closed down. We regained possession and put together a great passing move and got it back to him, and it culminated in a great goal **2-1**. Sam K threw to Max and he laid it back. Sam then cut in from wide and unleashed a thundering shot, which cannoned off the outside of the post. They tried to get back into the game with a powerfully struck 30 yard shot. It was flying low and fast, but Joby had it covered. Unfortunately, we let an attacker come in and when the ball was about a foot from Joby's arms, the attacker got his toe to it and deflected it high past Joby **3-1**.

We pushed to get back in the game and they caught us on the break, but Joby flew out of his area and cleared the danger. Great passing put Ethan through, but his shot was just too far out and the 'keeper was able to save it. We gain a corner and pushed hard. The corner came in and on the front post was a Mangotsfield player. He chased his header clear and suddenly Mark and Luke were facing four attackers. Despite their best efforts, Mangotsfield got through and gave Joby no chance **4-1**. We never gave up though and from the kick Luke attacked down the wing, gaining us a corner. Max and Ethan battled well when

the ball came in, but they had too many back and cleared it. It came back to Sam B, but his shot was across the face of the goal. Max won the ball, played it wide to Ethan and he crossed in to where **Sam K** was waiting and there was only one outcome **4-2**.

Man of the Match – Chosen by Jim’s Aunty for brilliant play and a good goal – **Ethan Chilcott**

Game 2 - The line up was:

Jamie
Oscar Callum
Spike Jim Jordan
Dan

Rolling Sub: Tom & Joe

From the kick both Jim and Dan attacked through but were stopped before they got to the goal. They then got through again, but the ‘keeper fell on the ball. We won a corner which Jim swung in and Dan got his foot to, but the ‘keeper made the save. Jordan had a run and got it to Callum, but he was surrounded quickly. Jordan then played it through for Jim, but again they cleared. There was a melee in their area and Spike had a shot, but it bounced agonisingly wide. Jordan then had a shot, but again it went wide. Spike passed to Dan and he got the ball to Joe, but his shot flew across the face of the goal. Tom then battled to win the ball, but his shot went just wide.

HALF-TIME : MANGOTSFIELD 0 FRYs 0

We gained a corner from the kick, which Joe took. He delivered a great ball in which **Tom** headed past the ‘keeper **0-1**. Jim went down the wing and crossed the ball, but it was cleared, although only as far as Joe. He returned it with interest, but it went wide. The game was stopped for an injury and Joe took the drop ball. It came to Tom and he set Joe going down the wing only to find four defenders crowding him out. Callum played a great ball down the wing to Jordan, but again it was cleared. They had an attack, but Tom cleared it on the goal line. Joe went on a fantastic run, but his shot was just lacking in power and the ‘keeper was able to get to it. Oscar was left exposed, but stepped in to win the ball and passed a great ball down the line to Jim. He got the ball to **Tom** and after a short run, the ball flew into the back of the net **0-2**. Dan and Tom then combined well, but the final shot was blocked. Callum threw to Tom and he crossed, however Joe just couldn’t get his toe to it. We attacked through midfield and the ball went wide to Dan. He ran down the wing and crossed it in, but no one was there to score.

Afterthoughts.....
It was a muddy pitch but we battled hard and still passed the ball well. There were disagreements from some parents over the style of the refereeing, but it is hard if no one wants to do it, and I will elaborate more in a letter to everyone.

The ‘Resting’ schedule keeps updating. There are two games to go and a few players still to rest. Due to a recent improvement in results, I have decided to take Ashton out of the list. If these games are cancelled then the list stays the same but will be on the rearranged dates:

29/01/06 – FDS – Callum, Josh, Joe & Sam B
26/02/06 – Saltford – Jamie, Spike, Luke & Jack
