Back to Henbury and this time with no rain but quite a bit of wind! All of the players were available, against a team unbeaten so far this season. The usual Match Reporter wasn't feeling too good, so Andy was forced to take on the duties again.

Game 1 - The line up was:

	Joby	
Sam	James	
Luke	Ethan	Jim
	Josef	

Rolling Subs: Jack, Joe & Max

From the kick off they were straight on the attack with some very quick passing. Joby was off his line fast enough to panic the attacker into shooting just wide. A throw in caused panic in our defence. Jim tried to get it but missed, and the attacker toe-punted it from a good fifteen yards and it flew like a bullet into the top of the net **1-0**. They launched another dangerous ball through but James was able to cut it out. They attacked down their left and our team went across to get them, leaving a Henbury player unmarked in the middle. The ball was duly passed into him, Jim flew across valiantly to try to get to him but he cut inside, and as Joby came out, calmly passed the ball past him **2-0**. A corner came in, James missed it, Jim swung an air shot at it, and the Henbury player chipped it for the far corner only to see it go just wide.

They floated another ball in which Jim heads out and then chases after it, beating players as he went, but as he neared their area, their 'keeper was out to get there just ahead of him. James won the ball in the middle and put Joe in. He beat one player but his touch took him too close to the other who duly cleared. From the clearance they were in, however Jack made a strong challenge and won it back. They attacked down the left and shot towards goal. James tried to get it but could only deflect it onto Jack. He wasn't able to react fast enough and he deflected it wide of Joby, and as it rolled across the area, their player had the simple task of passing into an open net **3-0**. James almost had a fantastic header as the ball ricocheted up but he had no idea where it was and Jack came in to head clear. Luke played a good long ball for Josef to chase, but he was just beaten to it by the 'keeper. Joby kicked well over the halfway

line, Joe just missed getting it but his challenge put the defender off, it came to Max and his shot flashed just wide. Joby's kick went to Josef. He found Max who put in Joe, and Joe finally forced the first save out of their 'keeper.

HALF-TIME : HENBURY 3 FRY 0

Jack kicked it long for Joe but he was tackled for a throw. He won the ball back from the throw and hit a viciously dipping shot that narrowly went over the bar. They were then through again and Joby pulled off a magnificent save. It rebounded around a bit as we blocked a few more times before they finally shot high and over. They weren't to be denied for long however and a high shot beat Joby who dived for it. It came back down off the bar but Joby was still getting back up as their player hit it goalwards. Jack tried to get his foot to it on the line, but it was it **4-0**. Ethan played it wide to Jim who went down the line and found Joe. Jim continued his run into the middle and got the ball back from Joe, but his shot was wide. Sam and Jack made good headers to clear but then we left Joby against three attackers. He made an excellent save however and Sam recovered to clear. Joby then made another great save and Jim came in with a clearance into their attackers head and out, pole axing him. They attacked again and shot wide, but the attack was just like they were dissecting us! We were going for the ball, but their quick passing meant that we were just chasing shadows.

Ethan and Joe combined in an attack, but they got it back and broke quickly, Jack getting the vital last touch. A high ball came in from the resulting corner and Joby could only parry it, the ball dropping behind him. Luckily, Max was on the line and cleared it. Another corner came in and Jim got it. He passed forward to Ethan who was one on one with Joe further up-field unmarked. He found Joe, but three defenders got back as well as the 'keeper out quickly and it looked like the chance was lost. **Joe** however had other thoughts and got his foot to it to push it into the back of the net **4-1**. Jim and Max combined well to put Joe in, but their 'keeper got there first. Their 'keeper then kicked it so hard with the wind that it bounced twice and went out for our goal kick! Joby drop kicked and it came down on the halfway line. Joe hit it first time high and it bounced over the 'keeper, but he recovered well and stepped back in time to catch it as Ethan followed in.

Game 2 - The line up was:

Jamie

Mark Oscar

Dan Josh Jordan

Sam K

Rolling Subs: Tom, Callum & Spike

They won the ball on the right, cut inside and unleashed an unbelievable thunderbolt which shook the post and flew out again. They attacked again, but Jamie was out quick and Josh slid in, combining well to clear for a corner. We cleared but they won it back, running past our defenders, but Jamie was out really well and put them off enough that the shot went wide. Jamie hit a massive kick with the wind and **Sam** was after it. He headed it on and chased, with defenders and the 'keeper converging, he got his foot to it, wide of the player on the line and into the back of the net **0-1**. We had a corner which Josh chipped in, to where Sam was running in, but his volley went just wide. A throw came in which we all missed and their attacker was so close to the goal, he just couldn't miss **1-1** (Martin's commentary as Andy had been forced to look away at the time!) They attacked down the right, but Oscar was there to clear the danger.

Tom threw to Spike ten yards out. As their defenders rushed him, he cleverly passed right to Dan who shot, but it was blocked. Dan was fouled on the left and Tom came over to take it. He looked to shoot but then saw Callum central and went that way, but the resulting shot went wide. They hit a long ball down the left which was just kept in by the bye line. Tom cleared but it was blocked, then Oscar and then Jordan, but each time our clearances were blocked and it finally ricocheted to an attacker in front of goal and he gave Jamie no chance with his shot **2-1**. They attacked down the left and cut inside. Seemingly about to shoot with only the 'keeper to beat, a long leg from Callum seemed to come from nowhere and it was cleared. He then ran across to the other side and cleared it again.

HALF-TIME : HENBURY 2 FRY'S 1

The ball came loose and Spike dived in to get his toe to it. Whilst still on the floor they blasted it straight at him and he headed it out (although how much of it he knew, we'll probably never know). Tom then won it on the right and curled a lovely ball into the box for Dan but his shot went just wide. Even their manager however, who was refereeing, told Tom what a great ball it was, and he was right. Tom threw it in and it bounced past two of their players to Sam who hit it on the turn, but it was just wide. Their attacker sprinted down the line and Tom chased after him. He then did what I would describe as a Peter Beardsley sliding tackle. Instead of sliding in and kicking it away, he slid in and won the ball whilst on the slide. He then got up and came clear with the ball at his feet. Callum found Josh and he hit it down the line for Sam. The angle was very oblique however and his shot went wide. They broke quickly and their attacker evaded challenges from Callum and Mark, before calmly beating Jamie with the shot **3-1**. Callum won the ball in the middle and found Spike. He turned, beating two players as he did and threaded a great pass through to Sam whose shot was pushed wide for a corner by the 'keeper.

Tom then won the ball twenty yards out and hit it hard and low, only for the 'keeper to get his hands to it again. The corner came in and Sam met it with a lovely little glancing header, off two of their players but the ref missed it and gave a goal kick. A long kick forward put their man in on Jamie, but he was out quickly and won the ball well. Spike and Josh did a one-two to create space for a shot from Josh, but it went just wide. A massive kick from Jamie was gambled on by Josh. He rode two challenges and then passed it past the 'keeper towards the empty net. **Spike** however decided to make sure that it went in and from six inches out blasted it in **3-2**.

FULL-TIME : HENBURY 3 FRY'S 2

Man of the Match – Chosen by Maurice Baker for a good game & great all round play – **Tom Johnson**

OVERALL RESULT : HENBURY 7 FRY'S 3

Afterthoughts.....

In the first game, it was like we weren't really there for the first half, but came out stronger in the second and put them under a lot more pressure. The second game saw us play well from the start until the end, but they got one more goal than us. That's just football I'm afraid.
