Jack was still unavailable after his operation, and Joel was away on Cub Camp, (although would come back in time for the second game, before heading back down again) so Spike came in to the A Team. In the B Team, Joel came in where Spike had been and Josef was rested. St Nick's 'B' had beaten us last season and had finished above us in the league. They also beat Lawrence Weston 7-1 where we had only managed 5-4, but had lost to Deerswood where we had won!

Game 1 - The line up was:

	Joby	
	Spike	Callum
Dan	Josh	Tom
	Joe	

Rolling Sub: Luke

A big throw by Joe was attacked by Tom but his shot was parried wide. It came out to Joe who crossed it in again and Josh went for it along with their defender and took a stud to the top of the foot and had to come off. They took the kick whilst we were trying to reorganise and managed to get through us and left Joby no chance with their player through **0-1**. Spike won the ball on the left

and played a great ball down the line to Joe. Joe hit the cross in low and hard and the 'keeper got there ahead of Dan to grab it. He spilled it in the wet however and Dan got stuck in. He was able to get the ball away from the 'keeper, but in that time a defender had got back and managed to clear the ball. A poor goal kick was challenged by Josh and he got it to Tom who shot from 25 yards, however it was high and wide.

HALF-TIME : FRY S 0 ST NICKS 'B' 1

We went too far forward for a goal kick and the returned ball left Callum outnumbered. He did his best and forced a shot which Joby got hold of really well and held onto as attackers piled in. Their goal kick was won by Tom who went wide and crossed it. Josh and Joe just missed the ball as it skimmed across the face of the goal. A great run by Tom saw him shoot. It was blocked and came back to Spike who also tried to shoot but was tackled as he did and they broke. Luke and Spike chased back and put off their attacker but it came into the area and a shot from the left into the far right corner was well saved low down by Joby and again he held on to the slippery ball.

Game 2 - The line up was:

Jamie

Sam B Joel
Jim Sam K Max
Chilly

Rolling Sub: Mark

We attacked and won a corner. It was hit in by Jim and Ethan turned well to shoot, but their defender got his knee in the way and it was cleared. Jim won the ball and passed it to Sam K and he in turn got it to Chilly. Chilly then got the ball back to Jim who had carried on the run and his shot was saved, however it was a great passage of play by our players. Sam K got the ball to Chilly and he put an incisive ball through for Max, but just as he was about to pull the trigger, a defender got back to make the important challenge and clear it for a corner. We won a throw which Sam K took over Max for him to turn and run onto, but his shot was too hard and too high. Sam K attacked down the left wing which won us a corner. **Jim** came across to take it and was told that this was the last before half-time and to get this one right as his previous attempts had all gone too far, into the side netting or behind our players. This one was swung in perfectly, as their defender tried to head it out and put it into his own net **1-0**.

HALF-TIME : FRY'S 1 ST NICKS 'B' 0

Chilly got the ball and got it down to Max. Max found Sam K who returned the favour but the 'keeper got down quickly to make the save. Some great one-two play between Chilly and Max saw Chilly just denied by the 'keeper as he got ready to shoot in the area. Sam K then got the ball and went down the right and put in a lovely cross. Their 'keeper came out well to palm it away to where Max was waiting on the edge of the area, but his shot sailed wide. They attacked into our left back area. Mark defended well and got the ball to Sam K. He beat a player and then launched the ball into the left corner for **Chilly** to chase. He won the ball, turned the last defender, ran into the box and calmly slotted it past the 'keeper at his near post **2-0**. A High clearance by them was brought down well by Sam B who found Chilly wide. He

played in a dangerous cross to where Max was charging in but again he was challenged as he was about to shoot. A big drop kick by their 'keeper was headed back by Sam K towards Jamie who was stood by his post. Rather than pick it up, he let it go through his legs for a corner, but more than that, for most of us, through his legs looked like into the net, but luckily he was the other side of the post!

Afterthoughts.....

Now that was a close game. I am proud of the A Team, having gone 1-0 down so early, and having to constantly reshuffle due to injuries, they never gave up and in keeping the score to just one, gave us the platform for the B Team to go on and win from. As for the B Team, they played some wonderful passing football, and but for a fantastic 'keeping display, should have had four or five. Without doubt they are one of the teams who will be challenging to win the league come May, so this win was a very important one. Well done!
