At last we had everyone available and 18 players rolled into Saltford (although some forgot their away kit!)

Game 1 - The line up was:

	Joby	
Jack	Callum	
Josh	Joel	Dan
	Joe	

Rolling Subs: Tom & Luke

We attacked down the right from the kick off and gained a corner. Joe whipped in a great cross which Jack came in on, but unfortunately his header went over the bar. They had a corner and we broke out through Joe. He played a great one two with Dan and got into the box where he was tackled. It came back to the halfway line where Callum hit it and it flew just wide. We had another corner which came in and Dan on the back post put it back into the middle. Jack, almost on the line tried to bundle it in and we sort of cheer thinking it's in, but it wasn't until **Josh** steamed in and whacked it high across to the other side of the net **0-1**. We attacked again and Joe controlled it to Dan who returned the compliment.

Joe under pressure passed it wide to Dan again who found Joe and his cross was put out for a corner. It was great link up however between Joe and Dan. We attacked down the left and they managed to clear it across the pitch to where Callum was waiting 20 yards out. He had a shot and the 'keeper made an excellent save to push it out for a corner. Joby then had a goal kick from the floor which evaded everyone right

through to Dan. He controlled it but took it slightly wide and as the 'keeper came out, he flicked it past him, but the wrong side of the net. We pressurised their goal-kick and **Josh** took the ball wide on the right to cross it, and as it came in it hit one of their defenders and went in **0-2**. We pushed forward and left ourselves open to a counter attack. They were through, but Jack raced back and put the ball out for a corner. Their 'keeper then had the ball and launched it as hard as he could. The bounce evaded our defence and their striker was through, and he went around Joby and rolled it into the back of the net as both Jack and Callum tried their best to cut it out **1-2**.

HALF-TIME : SALTFORD 1 FRY 2

We attacked down the right to win a throw and Dan threw the ball over both Josh and Tom's head to where **Jack** was steaming in and his power got him in on goal where he beat the 'keeper at the near post **1-3**. Joe then attacked down the left and crossed it where it missed everyone except **Luke** on the back post and his first time shot found the back of the net **1-4**. They attacked and we broke out with Tom. He reached the halfway line and played a lovely ball for Joe to run through on. The 'keeper came out to narrow the angle and Joe's clip over the 'keeper rolled just the wrong side of the post. From their throw near our right back position we broke out with a cross-field ball to Tom halfway. He played an inch perfect ball through for **Josh** to chase and he calmly passed it past the 'keeper **1-5**.

We attacked down the right where Joe won it and crossed it to Tom. Tom shot straight at the 'keeper but **Josh** was right in their and just took a little touch to deflect it past and into the net **1-6**. Josh and Tom then ran almost the length of the pitch passing it together until Tom leathered it but their 'keeper made a great save. Joel won it in defence and attacked down the right before cutting inside. He took one touch too many however and they gained possession and counter attacked. Joby however made an excellent save. The ball went forward via our left where Dan won it and played it back to Tom. Tom played it down the line to Joe who put a lovely cross in, but we hadn't

managed to get in there, that's how quick the break had been. We won the ball on the halfway line with Tom and Joe going for it. **Joe** got it and powered past the defenders before placing past the 'keeper for his first goal of the season **1-7**. We attacked down the left and Joe put a great cross in to where **Dan** was left alone at the back post. He hit it first time past the advancing 'keeper **1-8**.

Game 2 - The line up was:

Sam B
Spike Mark
Josef Jim Max
Chilly

Rolling Subs: Sam K & Jamie

From the kick we got the ball to **Max** and he attacked down the left before unleashing a thunderbolt, which hit the left post, came back, hit the 'keeper on the head and went in **0-1**. We attacked down the left again and Max had a shot then Jim followed up before the 'keeper got to it just ahead of Chilly. Max won the ball in the middle and passed wide to Chilly. Chilly crossed it into the middle but the 'keeper just got there first. Ethan took a great corner which was met by Max at the back post with a header, but it was just wide. We had a throw on the right which was gotten to Max. He had a shot, which the 'keeper got his hands to, but **Sam K** was waiting and followed up to put it in the net **0-2**. A big kick from Sam B was headed on by Sam K and Chilly was through, but his touch was too hard and the 'keeper got it.

They hit us on the break and two were through, but Sam B got there quick to gather it. Great battling by Josef got the ball to Chilly and he got it wide to Sam K who put in a lovely cross but it just evaded Max. There was a bouncing ball in the middle which Josef knocked on at goal. The 'keeper would have gathered it but Chilly followed in and made him panic into conceding a corner. Sam K battled hard to win the ball and drove it in low and hard. Chilly got his toe to it deflecting it high, but somehow their 'keeper got his hands to it and tipped it over. A throw by Josef was chased by **Sam K**. He held off a Saltford defender and buried it past the 'keeper **0-3**. Sam K then battled back to win the ball, ran forward and played it through to where Chilly was waiting but he tried to flick it past the 'keeper without really looking and it went well wide.

HALF-TIME : SALTFORD 0 FRYSS 3

A ball forward was headed on by Sam and Josef passed left to Jim and he shot, but it was wide. They attacked and we had four onto one, but Sam B won it and ran right down the line with it, passed it inside to **Chilly** who battled to beat two players before beating the 'keeper with it **0-4**. The Saltford attacker won the ball wide on our right and ran forward across the field evading challenges as they came in and then shot for the far corner **1-4**. The ball on the halfway line was won by Sam K. He passed the ball down the line to Jim who beat his player and shot, but the 'keeper made a great save to push it out for a corner. A massive kick by Jamie was brought down by Chilly on the edge of their area, but he was tackled and they broke and Jamie made a great save on the line. They attacked into our area again and first Spike slid in with an important challenge, then Sam K cleared it. Max won the ball and got it down the line to Sam K who had a shot and the 'keeper made an excellent save for a corner. Jim took it and it missed everyone except **Josef** at the back post and his shot was deflected into the net **1-5**. They then had a corner which we cleared and chased after. It was hit back into our area where Sam B faced three players and they gave him and Jamie no chance **2-5**.

OVERALL RESULT : SALTFORD 3 FRYSS 13

*Afterthoughts.....
Brilliant. I had asked the boys to respond in a way that would show the rest of the league that last week's result had been a blip, and they did! All 18 were magnificent.*
