Three games to go, and a change of night for the evening game. Would Thursday's be better than Friday's?

Game 1 - The line up was:

Joby
Jack Callum
Josh Joel Tom
Joe

Rolling Subs: Luke & Dan

We pushed and forced an early corner. Joe hit a cracking corner which Josh met at the far post. It came back across, Tom controlled with his right, then switched onto his left to shoot, but the 'keeper made a great save with his legs. Joel won the ball from a throw and passed inside to **Tom**, who took one touch and blasted it low and hard through a crowd of players into the right corner of the net **1-0**. Callum won the ball on the halfway line and ran forward. Played a one-two with the ref!, then went past three players and found Tom who passed it past the advancing 'keeper, but unfortunately it hit the wrong side of the post and went out. We took a goal-kick, which they won and shot, but Callum managed to get his head to the ball to clear it. They hit the corner in and is headed goalwards, but Jack on the line made the clearance. A very high ball forward saw Joby start to come for it, however Callum tried to head it forward and only succeeded in heading it goalwards. We all thought the worst, but Joby reacted very quickly and raced back onto his line to catch it. Joel ran forward and shot, the

'keeper palmed it up, and as two of our players ran in, he managed to catch it as he and it fell. Tom played it wide to Joel, he knocked it inside to Josh, Josh played it through to Joe, and he hit a shot which the 'keeper saved for a corner.

They took a goalkick which Joel won and attacked from. The 'keeper came out, forcing him wide, and although he got past him, the angle was too acute, and his shot went into the side netting. A high ball from Tom towards their last defender saw Joe gamble that he would miss it, which happened. Joe was in on the 'keeper who raced off his line, Joe shot, it hit the 'keeper and came back hitting Joe in the unmentionables, however it then fell forward and **Joe** had an open net to roll the ball into **2-0**. We attacked and **Jack** on the halfway line was the last man. The ball was cleared to him so he welted it and it flew hard and low through the whole crowd, hitting the left post before flying into the right corner of the net **3-0**. Tom won the ball on the right and attacked down the wing. He curled a low ball into the box which saw Dan and a defender go for it as well as the 'keeper from his line, and **Dan** got the first touch and it was enough to flick past everyone and in to the net **4-0**. We kept up the pressure and won a corner. **Tom** swung it in and the 'keeper under pressure could only palm it into his own net **5-0**. Tom headed on for Josh to flick past the 'keeper, however a defender got goalside and cleared from the line. **Joe** then hit a high ball from wide which the 'keeper seemed to catch, but then also dropped and it went in **6-0**. At this stage of the season Callum was the only regular outfield player not to score, so for the last few minutes, Luke dropped back into defence, Joe into midfield and Callum went forward. Almost straight away Joe launched a ball forward over the last defender for Callum to chase, and as the 'keeper rushed out, **Callum** just flicked it over the 'keeper's right shoulder, like a seasoned forward, and watched as it rolled into the net **7-0**. He then asked if he could go back into

defence!

Man of the Match – Chosen by Andy for excellent play and effort – **Callum**

Game 2 - The line up was:

Jamie
Sam B Spike
Jim Sam K Max
Chilly

Rolling Subs: Mark & Josef

We won a bit of a dubious corner but Max was convinced so Jim went to take it. He hit a great ball in and Chilly came in with his toe, but it went just the wrong side of the post. For quite a few minutes not a lot of action happened, although against a big side, our players were passing the ball around really well and keeping possession. Jamie took a goalkick and toe-punted it through everyone and Chilly chased and crossed to where Max was running in, but the 'keeper just got there. Jim battled hard down the right and crossed in, where it was a clear handball which wasn't given (dodgy ref!) and they eventually cleared it. **Sam K** won the ball wide on the left and just ran at goal, past the challenges and past the 'keeper into the left corner **1-0**. Handball was given on the halfway line and so Sam B had a shot. Jim ran across it hoping to get a touch or put the 'keeper off, but he stayed firm and held it well.

HALF-TIME : FRYS 1 BRADLEY YOUTH 0

Mark chased a forward into the corner, however Jamie came out there as well and it was crossed in towards another attacker unmarked in front of goal, however luckily it was just behind him. Chilly chased our pass into the corner and managed to concede a throw rather than let them have a goal-kick. We moved up to pressurise and won the ball down there where **Chilly** went for a cross, however just like Rio Ferdinand and Edwin Van Der Sar recently, their defender running back touched it wide of the 'keeper and there was nothing they could do as it rolled in **2-0**. Josef played a one-two with Sam K and then crossed it in, Chilly turned it across goal to where Max was steaming in two yards out and he lifted it over the bar to calls from the line of "You've been watching Drogba!". Suddenly their forward was through against Jamie who rushed out and bravely saved it with his face. They then picked up the loose ball, but Josef came in with a last ditch tackle to clear it. Josef won the ball and gave it to

Max, who ran past two players before being brought down 12 metres out. **Sam K** stepped up to take it and chipped it over everyone and just in under the crossbar **3-0**. Jamie hit a big ball forward which Max chased and crossed to the right side. Spike won it, came in at a fairly acute angle and hit it high, off the top of the crossbar. Josef won the ball and played it into the right corner which **Jim** chased. He turned his man, and although Chilly was the square ball for goal, elected to hit it inside of the 'keeper and it crept in **4-0**.

***Afterthoughts**.....
It was nice to finally get a win at an evening match. A lot went our way tonight with dropped balls, etc, however we could argue that was just making up for the lack of luck in the previous two evening matches. An excellent performance from the 'A' team was topped off by Callum's goal, and an equally good performance from the 'B' team. Well done!*
