 U12 MATCH REPORT U12 MATCH REPORT

Andy was away for the first of three matches, on his way to his cruise. Luckily for him, Nick was texting him regular updates, and even though it started at 5.30am USA time, Andy loved every minute. Read on to find out why. The Dictaphone had been handed to Steve to record, however there was a malfunction somewhere, and so this is actually Dave's recollections, five weeks later! The names have been changed to protect the innocent.....

The line up was:

Jay			
Dan	Josh	Aaron	Joel
Spike	Sam	Tom	Max
Andy		Joe	

Substitute: Kallan & Jay

The first ten minutes was a wary affair, both teams trying to get the measure of the other. Then a ball was pinged out to **Spike**, about 22 yards out and under pressure, but he hit it sweetly into the only area of the goal that the 'keeper didn't have covered **1-0**. They came back at us and through

pressure and persistence made it **1-1**.

**HALF-TIME: FRYS 1 BOCO 1**

We were straight back at them in the second half and as we overloaded their area the ball came to **Sam** who had an easy tap in **2-1**. The third goal was the important one with about 10 minutes to go as it took the game away from them. Joe swung in a corner and **Sam** charged in from the edge of the box, meeting it perfectly **3-1**. **Andy** then weighed in right at the end as the ball found him in the right place at the right time to hit it past the 'keeper **4-1**. Then right at the end **Andy** was put through and as the 'keeper came rushing out he just lifted it over him **5-1**.

**FULL-TIME: FRYS 5 BOCO 1**

**Man of the Match** – Chosen by Dave for excellent play and effort – **Aaron**

*Afterthoughts.....*  
*This was not as easy as it sounded, with the final three only coming in the last ten minutes. Up until then, it had been a tense and close affair. The main thing is however that we concentrated for the whole time, made our passes count and were strong in the tackle whilst still playing great passing football. Well done.*
