Andy was still away, this time in Barbados, so Julie Harvey took Dictaphone duties..... Josh hurt his ankle in the warm up and was subsequently unable to carry on, so a quick shuffle was required, with Dan coming across and Spike dropping in.

The line up was:

Joby
Spike Dan Aaron Joel
Jay Sam Tom Max
Andy Joe

Substitute: Kallan

Our reporters missed the first half for some reason, so all we got was that, a minute into the game, a ball over the top was chased by **Jason** and he calmly scored **1-0**. He grew in confidence from this and a few minutes later had another go, but it flew over. A minute before half-time, **Tom** scored **2-0**.

HALF-TIME: FRYS 2 ST NICKS 0

They attacked in the second half and first Spike then Aaron were there with blocks. There was some good play between Sam, Andy, Max & Kallan, but they won it back and

forced a corner. They attacked and forced a good save from Joby. Sam whipped in a good corner which Tom got his head to, but it was deflected away for another. Tom floated another over, and **Aaron** charged in and got his head to it **3-0**. They were not without threat, and a ball over the top was chased and won by them and they gave Joby no chance **3-1**. They were up for it now, and a ball wide was taken down the line and a shot came in high over Joby **3-2**. Kallan won the ball and found Joel. He passed it to Max and he in turn found Sam who won a corner. It came over to Dan and his shot hit the post.

FULL-TIME: FRYS 3 ST NICKS 2

Man of the Match – Chosen by Dave for excellent play and effort – **Sam Kipling**

Afterthoughts.....

.....
Without being there, it's hard to give real comments. From what I have heard, we deserved the lead, so it's a bit frustrating to see a three goal lead almost turn into a draw or even defeat. We cannot be complacent in these games and must keep going, keep working and not let up until the final whistle is blown. That said, another vital three points, so well done.
