**HALF-TIME: FRYS 1 KEYNSHAM 4**

The last local derby of the season and we needed to be confident, and up for this from the very start.

The line up was:

|       |         |        |      |  |
|-------|---------|--------|------|--|
|       | Jay     |        |      |  |
| Aaron | Brandon | Reece  | Joel |  |
| Bryn  | Sam     | Sammie | Max  |  |
|       | Tom     | Callum |      |  |

Substitutes: Joby, Josh & Charlie

We lost the ball from the kick off, they attacked with pace and shot, and it looked like Jay would get it, but it was moving fast with the water on the pitch and flew just under him **0-1**. From our throw they won it, crossed it for the far post and it seemed to hit Bryn's ankle, before bouncing up, and their player pounced first to pass it into the far corner **0-2**. We cleared a corner, and their player just outside of the area crossed it back for the far post, but it went quickly and hit the inside of the post and went in **0-3**. A corner game in and was headed goal-wards. Jay got his hands to it, but it bounced up next to their player and he headed it in **0-4**. After 15 minutes the game was all but over. Sammie hit the ball wide for Aaron to turn and shoot, but their 'keeper grabbed it. Brandon won it on the edge and played it towards Callum, and he turned and hit it right for Sammie, who ran at them, cut in and shot with his left foot, and the 'keeper had to push it around the post. Josh battled into the far corner to win a throw. Callum took it, Josh challenged and put off their player and it bounced up nicely for **Aaron** to head in **1-4**.

They hit a snap-shot towards the near post and Jay got his foot to it to turn it wide. They swung it over and won the header, with the ball flying in at the far post, however Reece was there and headed it off of the line. They ran down the right wing and we couldn't catch them, before a cross to the far post was headed in **1-5**. Some one touch play saw them create a shooting chance in our area, but Jay dived well to push it around the post for a corner. It came over and we were unable to deal with their height, the ball dropping kindly again for them to tap in **1-6**. They attacked and crossed, and two of our players watched, as two of their attackers gave Jay no chance **1-7**. Sammie won it from a goal-kick, turned his man and curled it for the far post, but their 'keeper got it. A corner was swung over, and to show our luck, Callum blasted it goal-wards, and Aaron blocked it! They hit a ball through and Jay came out bravely as they dived in with studs up. Jay hurt his arm badly and had to come off. Callum hit a lovely ball over but Joby got under it and headed over.

**Afterthoughts**.....

*I honestly believe that this game had been lost in many player's minds in school the week before. Most of our team were worried as Jamie Gregory turned up, with rumours that he was playing which showed it was on their minds. We were too slow getting going and looked a defeated team even after the first goal. We finally got going and played some nice football after going four down, but it was all too late. We have to believe that we can beat any team we face. If we don't then we may as well give them the points! We WILL do better next time we play them.*
