QUARTER-TIME: FRYS 2 W/CRUSADERS 0

Josh played a great ball down the right for Lorenzo whose shot was saved. Max won the ball and played it to Callum who laid it in for Lorenzo. His shot was parried and cleared halfway to Connor who returned it to **Callum**. He beat a player and shot into the bottom right **3-0**.

HALF-TIME: FRYS 3 W/CRUSADERS 0

Weston attacked down the left and shot, which Joe stood up well to save. After a bit of pressure from Frys the ball came to the edge of the area to Josh and he shot just wide. A long throw from Callum was missed as it bounced across the area and **Josh** was at the back post to tap it in **4-0**.

3 QUARTER-TIME: FRYS 4 W/CRUSADERS 0

Callum threw and again it was missed as it bounced across the area and this time Max was at the far post, however his shot was saved by the 'keeper. Weston attacked and as they were about to shoot Aaron dived in to push it out. They hit over the corner and Joe held the header just under the crossbar. Callum ran into the box with the ball, and the resulting penalty was despatched clinically by **Callum** into the bottom left **5-0**. Weston attacked down the right and centred for their number 10 to shoot from about the penalty spot and finally beat Joe **5-1**. Conner played the ball over the last defender and Callum chipped the 'keeper, however it hit the post. They broke into our area and Joel blocked the first shot, and the second which was goal-bound saw Joe dive full length to tip around the post.

FULL-TIME: FRYS 5 W/CRUSADERS 1

Man of the Match – Chosen by the Players for excellent play and effort – **Bryn & Aaron**

*Afterthoughts.....
 What a massive difference from a year ago where we drew 1-1. After the game I signed Conner there and then, delivering it to Filton that night, as it was deadline day! We also played with no Tom, Declan or Sam which bodes well for the coming season. What I liked the most was the way we moved the ball around quickly to feet, but were also able to change that when needed.*

Tom had injured himself in the week, however had very sportingly come along to watch. Sam and Declan were on holiday so Joe Fry came into goal for us and Connor had decided to see if he'd like to join and came along for a game. Weston made the long trip up as we had done the same at the start of last season. As it was a pre-season friendly we had decide to play four quarters of 20 minutes. As Andy wanted to take some photos, Jon took the reporting duties. So exactly one year to the minute after we last kicked off against these.....

The line up was:

Joe Fry			
Josh	Aaron	Reece	Joel
Noah	Bryn	Charlie	Max
Lorenzo	Callum		

Substitutes: Connor

Weston attacked and we missed a few opportunities to clear letting them shoot, however it went over from seven yards. Josh, Noah and Aaron combined well to pass Lorenzo in. He beat the last man and crossed, but it was missed by those running in. Callum threw to Joel, who ran and shot, however the 'keeper caught it. Straight down the other end and a ball through saw a shot from Weston hit the post, and then come back for another shot to hit the post and go out! Joe's kick dropped to Lorenzo who turned and played in Callum, but his shot was at the 'keeper. Callum swung over a corner which the 'keeper claimed but dropped out for another corner. This one came over and dropped for Connor to shoot, but it was deflected over for a third corner, which they finally cleared. Charlie won the ball and played it through for Callum who was caught in the challenge of two players and fell, the ref awarding a penalty. **Callum** stood up to take it, and calmly slotted it into the top right, even though the 'keeper did get his hands to it **1-0**. **Callum** swung a corner which hit a Weston player on the wrong side and dropped in **2-0**.
