 U14 MATCH REPORT U14 MATCH REPORT

As it was a Cup game and Yate were a few divisions below us, I took the decision to rest Declan this week, and Aaron went in goal, as he probably couldn't have played as he had taken skin off of the top of his foot playing in the street. Tom was finally back and with luck, free from injury.

The line up was:

Aaron  
 Josh    Reece    Joel  
 Bryn    Sam    Noah    Charlie  
 Lorenzo    Tom    Callum

Substitute: Max

They attacked and Reece was there to clear the danger. Tom brought it down and played it right to Sam who passed it through for Lorenzo, who played it left for **Callum** and he drilled it low and in **1-0**. Callum through for Tom to flick on and **Lorenzo** controlled it, turning and beating the defender before finding the bottom left **2-0**. Callum and Lorenzo combined in the middle to find Tom who brought it down on his chest, played in Bryn, but his high shot was caught by the 'keeper. Charlie won it and he passed to Sam with the whole team talking to each other. Sam passed to Tom who went left to Callum and he middled for Lorenzo who hit the shot which the 'keeper saved, back off of Lorenzo to Bryn, but he was too far forward and the flag went up as he scored. Tom controlled a high ball and laid it wide for **Callum** who scampered past the defender and found the bottom corner **3-0**. From their kick we won it back and played Callum through, but the 'keeper dived well and pulled off a great save low to his left. Noah and Josh combined well on the right, before Josh went across field to Reece and calmly under pressure wide to Joel. Joel went down the line to Max who crossed high and **Sam** headed it

onwards over the 'keeper **4-0**. Max threw down the line for **Callum** who crossed, but it took a deflection inside the 'keeper **5-0**. They attacked down their right, but Joel back-heeled the ball, before turning and playing a great ball down the line for Callum who crossed, but Tom's head was mis-directed. Tom lifted the ball over their defence for Sam to run onto from an onside position, but the flag was up early for another player and so the ref had to give a free-kick. Max and Lorenzo linked for Max to cross, off of Sam, the 'keeper fumbled back to Sam, but then jumped in bravely to gather under pressure. They attacked through a corner which Aaron parried and their attacker hit the follow-up wide.

**HALF-TIME: FRYS 5 YATE 0**

Tom lifted a lovely ball over their defence for Bryn to run into and he shot/cross and **Lorenzo** got the touch **6-0**. Tom flicked on a throw, then **Sam** did, and their defender jumped to get his head to it, but only succeeded in heading it past his 'keeper **7-0**. Lorenzo chased down their defender and found **Callum** in the middle, who went around their 'keeper and from a very acute angle found the 'net **8-0**. Joel brought the ball down and found **Callum** on the left, past the last defender with a subtle touch and flicked it over the 'keeper **9-0**. Josh ran down the right, crossed it in and **Callum** had a simple tap in **10-0**. Callum took a rehearsed corner for Josh who played it back to him away from the line and he shot/crossed for the far left corner and **Sam** got his head to it to complete his hat-trick **11-0**. A great ball down the line from Max set Josh away all the way into the box, and he flicked it up over the 'keeper, but it hit the top of the bar and dropped behind. Joel then brought the ball down really well and crossed for Tom to shoot, but it was saved for a corner. Bryn passed down the right for Lorenzo to chase and he hit a square ball for **Callum** to hit high into the roof of the net with his right foot **12-0**.

**FULL-TIME: FRYS 12 YATE 0**

**Man of the Match** – Chosen by Andy for excellent play and effort – **Tom**

*Afterthoughts.....*

*We were professional to the end and that is all I can ask. We aimed to beat the team in front of us to get into the quarter-final and we achieved that.*
