Andy was away in the Caribbean! This was the last 16 of the Somerset Cup. Ben was in as usual, however Elliot twisted badly in the warm-up and had to withdraw. We had beaten Weston pre-season in a friendly, however this was competitive. Jon kindly took on Dictaphone duties and pointed out that Andy had gotten the kick off time wrong, 2.30pm not 2.00pm, and that Jon had played rugby on the Saturday, controlling the game! The late kick off had forced the spectators to wait in the bar. It must have been hell for them...

The line up was:

	Declan			
Josh	Aaron	Reece	Joel	
Bryn	Sam	Tom	Max	
	Lorenzo	Callum		

Substitutes: Noah, Charlie & Ben

After a quiet first five minutes, Callum played the ball on for **Lore** on the edge of their area and he beat first the defender, then the 'keeper to calmly slot it in **1-0**. There was very little between the teams, and a shot from Weston flew wide of the post. At this point Jon looked for some Match Analysis, and Julie kindly pointed out that the ball had gone off and that Callum was injured. Jackie asked what he had done! A long throw from Callum saw the flick on catch a defender on his hand right on the corner of their area, which **Callum** stepped up and curled in off of the far post **2-0**. Jon went straight to Jackie for a quote, and we can exclusively reveal that she said, "That's my boy". Sam won the ball and laid in Lore whose shot was saved. Tom won the drop kick and played it in to Callum and this time his shot was saved. Tom again won the subsequent drop kick and this time **Lore** latched on to the header forward, beat the defender and shot under the advancing 'keeper **3-0**. At this point it was announced that Bradley was getting on Jon's nerves! 25 minutes in and Weston attacked down the wing and swung the ball in, from where **Josh** tried to clear on the penalty spot, but only succeeded in guiding the ball over Dec and in **3-1**. Callum attacked down the left and swung the ball in however the 'keeper dived out to make the save, and then we attacked down the right but the shot went wide. The game was really opening up as Lore advanced into the area and shot, only for them to

clear and attack, but Aaron made a great saving tackle, so we attacked again and forced a corner! A long throw from Callum was knocked on and came to Josh who went for the overhead kick, but unfortunately went too high and came down on the roof of the net. Bradley was next to be interviewed and felt that it was, "A very good game!" Sam won the ball and played in **Callum** on the edge of the D, and he chipped the 'keeper **4-1**.

**HALF-TIME: FRY 4 WESTON 1**

With the wind in the second half and straight away Callum went down the left and swung in a cross which was forced out for a corner. Callum swung it over and Max charged in, but couldn't quite get there ahead of the 'keeper. Weston hadn't given up though and an attack down their left saw a shot fly narrowly wide of the post. Noah was brought down so Callum had a shot which just missed the post. Ben defended well and broke out of our half and laid the ball through, but Lore's shot went narrowly wide. Weston kept attacking, and a fierce shot saw Dec dive low to his right to make a cracking save, and although it bobbed loose, he was quickly up and kicked it out for a throw. We broke out of defence and Callum ran in to their area, was brought down, got back up, brought down again, but the ref gave nothing. Max won the ball on the left, played it inside for Ben who fed Callum down the left, but his cross was just too close to the 'keeper. Callum threw to Sam who returned it and it was swung over to the back post, but Max couldn't jump high enough. Sam ran down the right, held off his man well and found **Lore** on the corner of the area, and his power shot gave the 'keeper no chance **5-1**. Right at the end Callum played it through for Lore, but the 'keeper was quickly out to smother it. Right at the end of the game Jon wondered if Andy had gone all inclusive, as with the big fat belly, it probably wasn't needed!

**FULL-TIME: FRY 5 WESTON 1**

*Afterthoughts.....*  
*The weather in the Caribbean was lovely....*  
*Ray was pleased with the effort and commitment the boys showed. He changed the set-up of the team as the game went on, and was pleased at how everyone adapted to it. Into the Quarter-Final now against St Aldhelms. Keep it up!*
