Andy was back and we travelled the short distance to Iron Mould Lane to play Brislington, and face some familiar faces, including Joe Carreyett, Kallan Nicklin and George Marsh. Dec was unavailable for the 2nd game so Andy asked for four volunteers to each take 18 minutes in goal, and Josh stepped up for the first stint. It was a lovely evening and the sun was shining. We had not been allocated a referee so their manager took on the whistle.

The line-up was:

Josh/Elliot/Joel/Tom			
Noah	Aaron	Reece	Joel
Bryn	Sam	Tom	Max
Lorenzo		Callum	

Substitutes: Charlie & Elliot

From the kick they attacked, but we won it and Callum played Lore in down the left. Their keeper Harry and a defender both went for it as Lore did, but they actually collided with each other, and Lore picked up the loose ball and passed it into the open net 0-1. They hit a ball into our defence which Aaron controlled, but dwelt on a little, and was robbed of it, and Josh made a good save to avert the danger. We cleared it left and Callum picked up for the throw on the halfway line and sent Lore away. Harry came out to him and Lore lifted it over him, but unfortunately onto the roof of the net. Tom laid the ball right for Callum and he was off down the right, into the area on his left foot, but rather than shoot, he played it centre for Lore running in, but they had two defenders running in and one of them was able to block. They attacked and Noah cleared, Callum touched it inside for Lore, who nicked it past the defender and was away, and he passed to Max who buried it low past Harry 0-2. Aaron played it right for Noah, and he went down the line for Callum, who flicked it over the defender to where Bryn controlled it well, knocked it through the legs of the defender and centred the ball for Lore running in to head it in 0-3. Josh in goal drop kicked massively and Lore headed the bounce on and was away, but Harry reacted quickly to parry, and Lore, turning on his left foot smashed the ball across goal and wide. On 15 minutes Lore was in the middle with the ball and played it right, behind their defence for Bryn to run onto, and although Harry got his hand to the shot, it nestled in the top left 0-4. Going down the wing and Callum took a high kick to his chest. He won a corner and took it, but then went down and had to come off with breathing problems. From that corner however, Lore ran across their defence and headed it from close range for his hat-trick 0-5. Elliot had gone in goal at this stage and a high ball into our box saw him run out and

confidently take the ball, before releasing it right for Noah. We cleared a ball out towards the left halfway, but Lore wouldn't give up on it, keeping it in and setting off down the line, jumping the sliding challenge, but Harry again was agile in goal and pushed his shot wide. Charlie threw, Sam flicked on and Lore was in. Harry came out to him and Lore feinted to go left around him, which allowed the ball to go untouched past him on the right, and Lore had an empty net to hit into 0-6.

Joel took the next turn in goal and Joe C threw long, we blocked it, but it bounced up and Dan Howlett (brother of Ryan from our U15's) for them hit it back into the top left, too far above Joel 1-6. Callum won it on halfway and set off, all the way into their box and set himself for a shot, but it flew just wide of the right post. Callum ran through again and shot low, which Harry parried, and Lore had followed up and took it to Harry's right, but a defender had gotten back and intercepted. Callum then floated a lovely corner over, and Aaron met it, but rather than power it at goal, tried to glance it for the far post, and it went just wide. Bryn raced away down the left and crossed with his left foot, and their defender running back got a touch, which took it behind Harry and in 1-7. Elliot won the ball in the middle and touched it to Josh, who played it through for Callum who shot hard and low. Harry stopped it but it spun loose, Bryn dragged it back away from him and Callum powered it into the roof of the net, but the ref blew for an infringement. Sam chipped the ball over their defence and Lore was away, and one on one passed it past Harry 1-8. In a virtual copy about a minute later, Tom, who by now had gone in goal, drop-kicked long and Lore headed on for himself and again passed it past Harry for his second hat-trick 1-9. From their kick, Bryn won the ball and played it back to Elliot. This created space for Bryn and so Elliot passed it back. He played it right for Lore, who saw Callum running behind him as he went for it so back-heeled and Callum took it into the box and passed it past Harry 1-10. With seven minutes to go Andy was preparing his final changes when the referee blew for full time. We can only assume his watch was broken and running fast!

Afterthoughts.....

Even without Dec, it was clear which way this game was going to go after just two minutes, and so it proved. George tried his best in midfield but was ultimately swamped by more players moving quicker than his own support, and although we made double figures for the first time this season, I honestly feel that if it hadn't been for Harry's heroics in their goal, it could have easily been 20. I hope that this has proved a good pick me up after the disappointment of St Aldhelms, especially as we face them again next.
