LIMBURG, HOLLAND - TOUR 2012

Having drawn against Husum in the first game, it was imperative that we win this next game to have any chance of making the final. Voorschoten had won their first game, and looking at the tables from Day 1, were capable of scoring lots of goals.

The line-up was:

Harry
Bryn Aaron Ben Reece
Sam Del George Max
Lore Callum

Substitutes: Sam B, Noah, Tom, Joel

Sam K hit a great ball down the line which Bryn won, turned back for Callum, who swung the ball right to the back post, but no one could get their head to it. We had a free-kick about 30 yards out which Callum lifted into their area. Aaron ran through, and although couldn't control the ball, got enough to it that the 'keeper was unable to grab it, although Aaron fell as he did. With the ball dropping loose, **Aaron** rolled sideways towards the goal, and in doing so, nudged the ball as he rolled, into the net **1-0**. They mounted an attack, but Reece managed to get in front of their attack, and laid it back to Harry to clear. Callum was then set away and elected to shoot from distance, but it was just too far and the 'keeper was able to deal with it. We had another free-kick, and again Aaron jumped across the sight of the 'keeper, forcing him to parry it, but Aaron was by then facing the wrong way to see the loose ball, and it was cleared to Max to cross, but no one got on the end of it. **George** then turned two players, ran down the line, into the area and was brought down. He elected to take it himself, and sent the 'keeper the wrong way as he stroked it into the

bottom right **2-0**. They then swung a free-kick into our area which Aaron headed clear, and Del flicked it on for Lore, miles clear, but unfortunately flagged offside.

Sam B gave the ball to George, and he sent the ball through their defence for Lore to head on, past two players, onto his left, and then he fell over! The 'keeper's ball out was won by Del who played in Callum, but his shot was deflected for a corner. George jumped high and we all thought had headed wide, but in fact a defender had just gotten there ahead of him and so it was another corner. Sam K attacked down the right, cut back onto his left and swung over a fantastic cross, which the 'keeper fumbled under pressure, but Max was just beaten to the ball. Del set Lore away, but he blasted over. Joel then brought the ball down and found Sam K who chipped it into the area, for Tom with his back to goal, and he set it up for Max to shoot, but the 'keeper saved, whilst diving for the cameras! They hit a high shot, and Harry was back pedalling, but got to his line and caught it well.

FULL-TIME: FRY S 2 VOORSCHOTEN 0

Man of the Match – Chosen by Andy for excellent play and effort – **Del**

Afterthoughts.....

This team had won their group and scored almost 30 goals on Day 1, and yet were a very poor team, showing how you cannot judge a group just by the results. We passed well, tackled well and kept a high tempo throughout, making sure of the win fairly early on, and keeping possession after.
