Andy was away on holiday, so Tony took charge of our first game since returning from Tour. The Dictaphone wasn't used, so this unfortunately is just the various recollections of those who were there.

The line-up was:

Harry

Josh Aaron Reece Joel

Ben Sam George Max

Lore Del

Substitutes: Tom, Noah & Bryn

We passed the ball well, closed them down whenever they had the ball and generally gave them no time, so it was no surprise when **Lore** latched on to Del's pass and played it under the advancing 'keeper **0-1**. They then forced a corner which Reece headed clear, but it was returned with force and flew into the top corner **1-1**. **Del** then terrorised the City backs and robbed the ball off of them, before smashing it goal-wards **1-2**. City were starting to get their passing game

going, and sliced through to give Harry no chance **2-2**.

HALF-TIME: BRISTOL CITY 2 FRY 2

In the second half we seemed to tire and could no longer keep up with them as a long ball saw their winger away, and he smashed one into the far corner **3-2**. Next it was a corner which was floated to the back post and headed back across goal and in **4-2**. Then we conceded a free-kick outside of the area, but it took a deflection and wrong-footed Harry **5-2**. Finally a ball over the top saw a City attacker race clear, and he gave Harry no chance **6-2**.

FULL-TIME: BRISTOL CITY 6 FRY 2

Man of the Match – Chosen by Tony for excellent play and effort – **Lore**

*Afterthoughts.....
We had a great start against City, and then went ahead again after they had equalised. After that, it was a case of missed chances, before City finally took control in the second half. If we can keep that first half control, and convert it into second half wins, then we will finally start to be where we should be in the league.*
