ROUND-ROBIN
U16 MATCH REPORT U16 MATCH REPORT**

For pre-season this was going to be our hardest day. We organised a Round-Robin against three of the toughest oppositions from outside of Bristol. Weston Crusaders, runners-up in the Woodspring League and Cup winners, Westfield, champions of the Midsomer Norton Youth League and finally Bath City Gladiators, champions of the Mid Wilts Youth League. We were each going to play a 40 minute game, with a 20 minute recovery period, and then sausage, chips and drinks in the bar after. This was the beginning of our final season, and yet at the same time the start of a new dawn, with six new players, all joining from Yate Utd, however..... Tom, Jack, Jay were all on holiday and Ben was still in the running season, so we asked Kai along to guest for us and give us the chance to rotate and rest players.

The line-up was:

Harry
Samuel Sam Aaron Joel
Lewis Del Joe Max
Lore Boxey

Substitute: Kai

A great ball from Del forward was missed by their defence saw Boxey step-over past rhw 'keeper, but he managed to recover and get his hand to it. Boxey was sent away again using his pace to race past their defence, however this time the 'keeper was quickly off of his line and just got there ahead of him. Weston

attacked down the right, but Del again won it and sent Boxey away in on goal, and he tried to pass it past the 'keeper who got a touch sending it wider, so Boxey tried again from the more acute angle and this was into the side netting. A long ball, flicked on saw Harry out quickly to slow them, allowing Sam to get back on to the line and be able to block the ball when the shot finally came in. We lost the ball as we went forward and they cleared long. Sam tried to head it back to Harry but was short, and their attacker nipped in and lifted the ball over Harry **0-1**. Lewis was sent through and saw his shot parried. He crossed it back for Boxey, but his header was cleared off of the line. Kai under pressure on the right jinked left and right under pressure to hold off his attackers, and then sent a great switched ball for Max, but he didn't quite have the pace, and their defender got back to stop the shot.

The line-up was:

Harry
Samuel Del Aaron Joel
Lewis Kai Joe Max
Lore Boxey

Substitute: Sam

A great start to the game saw us passing the ball around a lot more, keeping possession better than we had in the first game. Lore picked the ball up wide on the left and shot after cutting in, but it rose over the far post. Boxey ran into the right corner, and then swept

the ball around 360 degrees with the outside of his foot, turning three players as he did, and then ran into the middle and crossed for **Lore** to hammer in from 10 yards **1-0**. Del defending, beat a player and found Sam who advanced past a midfield player and his through ball found **Boxey** who was pushed very wide by their 'keeper, but still found the net from the narrow angle **2-0**. Kai went down the right and crossed, and Sam tried to head for goal but didn't jump high enough, however **Lore** was behind him, and he controlled it on his chest and volleyed in **3-0**. We gave away a free-kick just outside the area which they smashed at goal. Harry dived brilliantly to parry, and then got up to jump on it as it dropped. Kai won the ball and broke out of defence, wide to Lore who was away with Kai inside him supporting, Lore went wide of the 'keeper and shot, but saw it blocked, however **Kai** had kept with him and finished it off **4-0**. They won a free-kick 30 yards out which again they smashed at goal. This time Harry went to his left to get in line for the save, however with the wind's help it swerved to his right, and ended firing right into the far corner **4-1**. A ball down the line for **Boxey**, and he cut inside and passed past the 'keeper **5-1**.

The line-up was:

Harry
 Lewis Samuel Aaron Joel
 Kai Sam Joe Max
 Del Boxey

Substitute: Lore

Del chased a lost cause and spun towards the middle to find Boxey, and he tried to deftly chip the 'keeper, however he just got his hand to it to make the save. We were attacking and suddenly Bath attacked as we were exposed as players started to tire, and although Harry got a hand to it, it wasn't enough to stop the goal **0-1**. Boxey turned three people, ran in on goal and shot at the near post, which it hit and went the wrong side. A mix up between Aaron and Joel saw them away and chip for the far post, however Samuel had sprinted back and was there to cover as it ran wide. They won the ball in the middle and played it through for an attacker who looked offside, but was not flagged, and although Harry got a touch, the attacker passed it in **0-2**. A ball forward was headed on by Max

for **Boxey** and he was away, making sure of the goal as he went around the 'keeper **1-2**. Bath were away down the left but Joel on the line blocked the goal, then Harry got a hand to it, and finally about five of our players jumped into the way and we were able to scramble it clear. Boxey crossed for Lore to shoot inches wide of the far post. A corner came in and Sam's header was cleared and they broke, but Joel held them up enough for Del to get there and slide in with a crunching tackle. Boxey cut past three players and shot, but it was blocked, and then he crossed for Lore to head at goal, but they had enough on the line to stop it. Another cross saw Lore jump and head goal-wards, off of the post, and it rebounded the wrong way as Max followed in. By this time both Lore and Lewis were off as tired legs after a long summer and tight muscles reduced us to 10 men for the last few minutes.

Afterthoughts.....

This was a good day, not necessarily in the results, but in the fact that it gave us two hours, against tough opposition. Bedding everyone in will be the hardest part, but once we have everyone together, we should be good enough to beat anyone.

Winners - Westfield
