Joe was still injured, Lewis was away and Boxey was still unavailable, so we had one sub for the visit of Boco.

The line-up was:

	Harry			
Samuel	Jack	Jay	Joel	
Aaron	Sam	Ben	Tom	
	Del	Lore		

Substitute: Max

Boco kicked off and passed back, which Lore chased, forcing an early corner. Aaron floated it over and Ben's header was deflected for another corner. We attacked, but a long ball over the top saw their attacker in on Harry, but he was able to make the save. A ball into our area saw Samuel clear, however it hit another of our players and looped back over for their attacker, right in front of goal and clear of everyone, and as Harry closed him down he lifted it over him **0-1**. Jay had won the ball, but the referee deemed it a foul, so blew for a free-kick against us, however as this was happening a Boco player slid in and caught Jay's ankle, and that effectively ended his game. Sam played a ball into the left of the box which Del chased, and got there ahead of the 'keeper, which meant that the late arrival of the 'keeper took him down for a penalty. **Tom** stepped up for it and calmly dispatched it into the top left past the 'keeper **1-1**. Samuel threw into the box, and it was flicked on for Aaron to try the audacious overhead kick, but it went too high. A Boco player won the ball wide on their right, and then ran across the pitch in front of our defenders, before slipping a great ball through the gap for their quick attacker to latch on to and pass past Harry **1-2**. Sam

ran left past three players and got it to Tom, but Tom's shot was held by the 'keeper above his head. We then pressured, and Joel hammered the clearance, but it went wide.

HALF-TIME: FRY 1 BOCO 2

A free-kick wide on the right was taken by Samuel to the back post, to where Sam headed back across goal, but Aaron's volley was saved just wide. The corner was cleared as far as Joel running in, but his pile-driver was deflected for another corner. Jack played it to Lore, and after beating a player he found Sam, but his shot was into the side netting. A high ball into our area was headed back to Harry by Ben, however Harry was heading out at the time, so had to react quickly to save the ball from going past him. Tom in the left back area played it inside to Ben, and he went right to Sam. Sam played it up to Aaron who slipped Lore in, and he lifted it past the 'keeper, but with not enough pace, and the 'keeper was able to sprint back and grab it. In the last seconds and a cross was headed out to our right where **Aaron** was running in, and he scooped it with curl right into the top left **2-2**. Joel still had time to jump into one of their players and concede a free-kick on the edge of the area, but fortunately it went over.

FULL-TIME: FRY 2 BOCO 2

Afterthoughts.....

It took us almost until half-time to get passing, and by then we had already gone behind twice. Into the second half and we dominated, and it was just a matter of if we could score, and how many, and luckily we got the one back, but in reality our possession should have led to more shots than it did. It was nowhere near what we were capable of, and we will need to improve to pick up the serious points. Unfortunately after the game Samuel decided to go and play in the Gloucester leagues, so our squad went down to 14.
