Our first game in the County Cup, and a trip down to Berrow to play a team in the Woodspring League. Andy was arriving back in Britain having been on holiday, but was planning to get there as quickly as possible, Tony taking charge as we found ourselves taking detours through major Berrow diversions! As it was the County Cup, it meant that any player registered for Frys could play, so Jordan and Charlie from the Wanderers came along, and finally Boxey was back. Joe was still injured so we had 14 players to choose from.

The line-up was:

Harry  
 Ben Jack Jay Joel  
 Lewis Sam Del Tom  
 Boxey Lore

Substitutes: Charlie, Jordan & Max

From a corner, Boxey took the ball on and shot, but the 'keeper saved. Tom then played the ball down the line for Del, and he shot, but unfortunately wide. Lewis then played the ball into Boxey who spun quickly and played Ben in, but he screwed his shot wide. Berrow had a free kick which Sam hit for Lore, he found Ben and he played in Boxey, but it was just too far ahead of him. Ben won the ball and got it to Boxey, and he played Tom wide for a shot, but the 'keeper saved. A corner in was headed at goal by Jack, but cleared for Boxey to set up Ben, but his shot was wide.

We pushed Jack into midfield and went three at the back in an effort to force the situation. Boxey pounced

on the ball in the middle, took a deft touch past two players and shot, but the 'keeper dived well to make the save. The Berrow 'keeper took a poor kick which Tom won and struck first time, but the 'keeper gathered it safely. Sam played it wide to Jack, and his ball into the middle found **Boxey** to shoot, and it didn't seem that hard, but it bobbed as it travelled and must have done enough as the 'keeper was unable to save it **0-1**. From a cleared corner, Max touched it to Boxey who beat the defender and crossed to where three of ours were running in. It came to del of the three to power in to the box, and he was brought down, **Jack** stepping up to bury it **0-2**. A corner was swung to the back post, Lore returned it to the middle and Ben shot, but somehow the 'keeper saved it, then Lore swung at it and missed, **Del** followed in and made sure **0-3**. Jack strode clear of the crowd and found Lore, but his near post shot was saved. Sam attacked down the wing and crossed and Jordan clipped it back to the middle, but Tom's shot was saved. Del then hit a free-kick to the back post, but it was just too high for Jordan as he ghosted in behind everyone. A ball passed through them fell to Lore to shoot but it was saved to Lewis, and he shot, and again saved, and as he chased the rebound the 'keeper just got there.

**Man of the Match** – Chosen by Andy for excellent play and effort – **Jack**

**Afterthoughts**.....

*This was a game that we totally dominated, but our final ball was too often astray, so we didn't take the numerous chances that came our way, meaning that until we scored with 20 to go, Berrow still felt they were in it and gave us nervous moments. After the goal though, I don't think they had any more attacks, and there was only going to be one winner. It was good to see Boxey back, and he offered us something different which made it so much more harder for the defenders with Lore and Del to also contend with. Safely through, and hopefully a home tie next time! Well done also to Jordan & Charlie.*
