Andy was away watching his Grandson up in Stoke so Mark took charge for the arrival of Keynsham. Ben Watt was running, Sean was injured and so was Joe, however he had come along to be sub and go on if desperately needed, and in the end ran the line for us. With no one recording the proceedings as they happened, this is recollections of events taken later in the season.

The line-up was:

Harry

Jay Jack Del Tom

Lewis Sam Ben Worlock Charlie

Lore Boxey

Substitute: Joe

We started the better team and for most of the match, that was how it stayed. Great interplay between Ben, Sam and Joe saw Lewis play **Boxey** through, and after accelerating away from the defence, he calmly played it past the Keynsham 'keeper **1-0**. Keynsham looked to strike back quickly, and put the

pressure on, and a ball over the top saw Harry save, but the rebound was fire in **1-1**. Sam and Charlie played a quick one-two before Lewis went down the line, and played it to Boxey, who crossed, and **Lore** jumped highest to head it in and restore the lead **2-1**.

HALF-TIME: FRYS 2 KEYNSHAM 1

Into the second half, and we kept the pressure on to Keynsham from the kick, forcing corner after corner, and **Sam** leaped highest to head in one of these to extend our lead **3-1**. To wrap up the game, Ben played it up to **Boxey** who turned and ran at them, jinking past their defence and lashing it into the back of the net **4-1**.

FULL-TIME: FRYS 4 KEYNSHAM 1

<p>Man of the Match – Chosen by the Referee for excellent play and effort – Ben & Boxey</p>

*Afterthoughts.....
 According to Mark, this was one of the best performances we had played all season, every player working hard for each other, and dominating the game from a very early point, and the only complaint that I have is that I missed it. Well done everyone who took part.*
