MARCH 2000

Fry Club Colts Under 10's Team Report

We started the season slowly with matches against some of the stronger teams. After the first 3 weeks we were 11th in the league and had already been knocked out of the cup!!! We were struggling without a recognised 2nd Goalkeeper which meant that the team positions kept changing. After advertising for a Keeper we were lucky enough to sign one from Keynsham!! Stefan has settled in very well and since then both teams have started to play better because of the stability it has given us. By Christmas we were lying in 4th place and the 'A' team had won their last 5 matches.

We had 3 weeks off over the Christmas period and re-started by losing both games!! Our last 2 games have been against Yate and we have taken 10 out of 12 points which has moved us back up to 5th.

A big thanks must go to Total Construction, (0117-932-6779), for providing us with 6 pins for the Goal Posts otherwise the match on Sunday the 30th of Jan would have been cancelled for safety reasons.

Our record now stands at

PLAYED	WON	DREW	LOST	GOALS FOR	GOALS AGAINST	POINTS
28	17	2	9	66	33	53

A tremendous effort from all the boys so far, well done

SCUNTHORPE AND EXETER - TRIALS FOR U/16s

In February Mike Harvey, Nick Barnett, John Brook, Jeff Copp and Matt Grimes all had trials with Scunthorpe and Exeter city. Mike, Nick and Matt were also selected for the Bristol Junior League Rep side to play Stroud & District u/16s.

A hat trick for Nick Barnett sealed a convincing 8-0 win over Keynsham Town with goals also from Matt Brice, Rob Gould, John Brooks and two from Mike Harvey. Ben Katuska suffered a possible long term back injury during the game. The only other game for the 16s during February was against Yeovil in the last 16 of the Somerset cup, in a hard fought close game Yeovil came through as 4-1 winners.
