There is nothing permanent except change
– Heraclitus

Under 17's

The Under 17's have started quite well with an emphatic win over Frome (9:1) including a John Brook's hatrick.

In the next game Coleford were well beaten (6:0) with Mark White scoring 2, Mark Chaffey, Nick Barnett and 2 from John Brooks. The next couple of games proved to be tougher with Pensford and Keynsham Town as opponents.

Under 15's

New signings Mark Webb and John Pitt, strengthen the squad.

A difficult first fixture against last season's runners up, Hengrove saw us lose 5:1, after taking the lead. A hard match was also envisaged against Whitchurch, but we ran out comfortable 7-3 winners. The third match of the season saw us hammer Brislington 12:0.

Under 14 A's

Off to a flyer with goals from Jay Slade, Tom Hamblin and Dan Payne.

Against Thornbury we won 3:1 where we out-powered and out-performed a smaller side for the first game in 1st Division.

In the Cup St. Vallier we beat the runaway Division 2 leaders (5:2).

2nd League game we played Frampton – the only team to beat us in the League last year. We won 4:1 in frenetic second half.

Tuckers Hammers make steady progress. Phil Tuckers' side has started steadily and displays great improvements with good all round performances.

John Limmers U8's have been steadily improving and results are coming together as the team have both lost and won some.

New and old blend

Last years Under 16's have proven a hit with the senior sides at Frys with John Brooks and Steve Field holding places in the First Team. Jeff Copp, Mark Chaffey, Ben Katuskas, Sam Murray and Matt Grimes all making appearances for the reserves, the rest hold places in the A team aided by those veteran managers Bernie Grimes, Kevin Bielby, Gary Smith, Phil Tucker, Clive Stallard and John Limmer.

A noticeable goal of high standard was that of Mark Chaffey with his long range shot versus FM Sports.
