Image Consent

Please print all details

Occasionally, we take photographs of the children at our Club. We may use these images in printed publications that we produce, in displays and on our website. We may also make video or webcam recordings for archival and promotional use.	
We may also send images to the news media, or our Club may be visited by the media who will take their own photographs or film footage (for example, of a visiting dignitary or other high profile event). Players will often appear in these images. The news media may use the images in printed publications (including local or national newspapers), on televised news programmes or on their website. They then store them in their archive. They may also syndicate the photos to other media for possible use, either in printed publications, on websites, or both. When we submit photographs and information to the media, we have no control on when, where, if or how they will be used.	
To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child.	
Conditions of use:	
1.	This form is valid for the period of time your child holds membership of this Club. Images of your child will not be used after this time except on archived websites. Please write to the Club if you wish to withdraw consent at any time.
2.	The images we take will be of activities that show the Club and children in a positive light.
3.	Embarrassing or distressing images will not be used. The images will not be associated with negative or sensitive issues.
4.	We may use group or team photographs.
5.	We will only use images of players who are suitably dressed.
6.	We will make every effort to ensure that we do not allow images to be taken of any children for whom we do not have permission or who are 'at risk' or disallowed from having their photographs taken for legal or social reasons.
7.	We will take all reasonable measures to ensure the images are used solely for the purposes for which they are intended. However we cannot guarantee this and take no responsibility for the way images are used by other websites or publishers or for any consequences arising from publication.
<i>Please note that websites can be viewed throughout the world and not just in the United Kingdom where UK law applies. In giving your consent you understand that images may be used in printed and electronic form.</i>	
To give your consent, please complete the information overleaf and return the form to the Club.

Respect Codes Of Conduct

Football is the national game. All those involved with the game at every level and whether as a player, match official, coach, owner or administrator, have a responsibility, above and beyond compliance with the law, to act according to the highest standards of integrity, and to ensure that the reputation of the game is, and remains, high. This Code applies to all those involved in football under the auspices of The Football Association.

Community: Football, at all levels, is a vital part of a community. Football will take into account community feeling when making decisions.

Equality: Football is opposed to discrimination of any form and will promote measures to prevent it, in whatever form, from being expressed.

Participants: Football recognises the sense of ownership felt by those who participate at all levels of the game. This includes those who play, those who coach or help in any way, and those who officiate, as well as administrators and supporters. Football is committed to appropriate consultation.

Young People: Football acknowledges that public confidence demands the highest standards of financial and administrative behaviour, and will not tolerate corruption or improper practices.

Trust and Respect: Football will uphold a relationship of trust and respect between all involved in the game, whether they are individuals, clubs or other organisations.

Violence: Football rejects the use of violence of any nature by anyone involved in the game.

Fairness: Football is committed to fairness in its dealings with all involved in the game.

Integrity and Fair Play: Football is committed to playing to win consistent with Fair Play.

Respect

Respect is The FA's response to a clear message from throughout the game, that the health of football depends upon high standards of behaviour on and off the pitch.

- ✚ Respect is a behavioural code for Football.
- ✚ Respect is about recognising that the integrity of the game is more important than the result of the match.
- ✚ Respect is For ALL and plays a key part in uniting the game.
- ✚ Respect is about creating an understanding of what is acceptable and unacceptable behaviour in Football.
- ✚ Respect is about those involved taking responsibility for the consequences of their own actions.
- ✚ Respect is about supporting match officials to do their job.
- ✚ Respect is not a slogan. It is a collective responsibility of those involved in football to create a safe, fun and inclusive environment in which the game can take place.

The following Respect Codes of Conduct outline the types of behaviour that will support a safe, fun and inclusive game in this country. They also identify a range of sanctions which may be taken if these codes are not abided by.
