The Game 2 line-up was:

Bradley W

James Adam

Cory Kaylum

Substitute: Aran & Ollie

We started very well with some good play between Kaylum and Cory who set James on his way. He was about to shoot when he was brought down for a stonewall penalty. James took the penalty himself which was saved by their keeper, but it came back to James however he hit it over the bar. Longwell Green then attacked and looked like they were going to score before Adam made a great tackle. James then went on a great run before shooting just wide. Cory went on a good run and shot which the keeper saved. Longwell Green then attacked and looked like they were going to score only for Bradley made a great save. Kaylum and Cory combined with some great play and ended with a shot from Kaylum just went wide. Bradley took a goal kick which found Aran and he went on a great run but shot just wide. Ollie and Aran then played some lovely football only to see the shot fly just wide. From the goal kick the ball was played through and there was no one back to defend and a good shot went in **1-0**. Soon after Longwell Green were through again and even though Adam made a great tackle the ball fell to one of their players who scored **2-0**. Aran played a great ball to James who went on a run down the wing taking on two players before crossing to Aran who's shot was blocked by a defender.

Kaylum went in goal for the 2nd half. A good run by Bradley saw him pass to James and he took on two players before shooting wide. James then went on a run, passed to Bradley who shot wide. Longwell Green then attacked and got their shot away which Kaylum saved with his legs. Some good play by Adam, Ollie and Aran set up Cory whose shot was saved by the keeper. James tackled a Longwell Green player near our goal and ran the whole length of the pitch before shooting just wide. It was attack after attack for Frys with efforts from Aran, Bradley and Ollie but the ball would not go in the Longwell Green goal.

**Afterthoughts.....**

*A great performance by all of the boys. All of the boys are coming on so much and give their best every week. Well done.*

February 1<sup>st</sup>, and thanks to some badly timed bad weather just our fourth away game of the season. We had four players missing with Tristen, Tyler, Bartus and Keanu all away so this was how we lined up with the Bradley twins starting in goal.....

The Game 1 line-up was:

Bradley G

Charlie Liam

Ethem Kruz

Substitutes: Aaron & Finn

The game started with a midfield battle with Ethem putting in some great tackling. From a throw in for Longwell Green we defended just in front of our goal and let them run forward. By the time we tried to tackle it was too late and they hit the ball past Bradley **1-0**. There was some good defending from Finn who got the ball to **Liam** and he went on a run from the half way line and shot from the edge of the penalty area and hit the back of the net **1-1**. A good run from Aaron down the wing saw him hit a good cross which found Liam whose shot was saved. Aaron then tackled one of their players and passed to **Charlie** who shot into the corner of the net **1-2**. Finn picked the ball up in our half and passed to Charlie who crossed to **Liam** who put the ball in the net **1-3**. Soon after that Kruz got the ball and put through **Ethem** who powered the ball into the back of the net **1-4**. Near the end of the half some great passing between Finn, Ethem and Aaron set **Liam** up who scored **1-5**.

**HALF-TIME: L/G DEV 1 FRY S 5**

Charlie went in goal for the 2nd half. Finn went on a great run and shot, which was deflected just wide. A good run by Bradley saw him cross to Kruz who shot just wide. Ethem got the ball, passed to Bradley who did a wonderful turn and was through on goal but then shot just wide. Some great play by Kruz and Aaron set **Liam** up who scored **1-7**. Longwell Green then played some quick passes to the edge of the box and then got their shot away to score **2-7**. Finn got a good tackle in and passed the ball up the line to **Bradley** who went round three players then a hit a hard shot into the net **2-8**. Longwell Green were soon away again and hit an early shot which Charlie saved, but the ball went back to their striker and they scored **3-8**.
