Away to Frampton, or third consecutive away game and we were without Bartus, Kruz & Keanu.

The Game 1 line-up was:

Bradley G (Ethem)

Charlie Ethem

Liam Cory

Substitutes: Aaron & Finn

A quick start from Frampton saw them run through us and we could not get a tackle in and they shot hard past Brad **1-0**. We then did some good passing between Charlie and Cory to set Liam up who shot which was saved by their keeper. From the kick-off they broke quickly and got their shot away from the edge of the box which looked to be heading for the corner of the net only for Brad to pull over a wonder save and tip it past the post. **Liam** then tackled one of their players and went on run and scored **1-1**. Finn then did some great tackling and got his pass to Ethem who shot wide. Liam passed the ball to Aaron whose shot was saved. Frampton cleared the ball and it looked

like it was going out and we all stopped only for the ball to stay in one of their players had carried on running, got the ball and shot past Brad **2 - 1**. Cory picked the ball up, passed to Charlie whose shot was deflected wide for a corner. From a Frampton throw in Ethem got the ball and got a shot away which just went wide. Frampton then played some good football and looked like they were going to score only for Finn to make a great tackle. Bradley cleared the ball to Aaron who went on run and found Liam whose shot was saved.

HALF-TIME: FRAMPTON 2 FRY 1

From our throw in, Frampton picked the ball up and ran all the way to score **3-1**. From our kick-off we did some good passing between Charlie and Finn only for Frampton to intercept and score **4-1**. Aaron then made a good run before getting tackled and again they moved the ball quickly to score **5 - 1**. Frampton were playing some good football but we were beginning to defend better with Charlie and Cory making some good tackles. We then played some good football with Brad passing to Charlie who crossed back to **Brad** who scored **5 - 2**. Frampton kicked off and ran straight down the middle to score **6 - 2**. Aaron passed to Cory who took on two players then passed to Finn who passed to Brad whose shot was saved by the keeper.

Liam then pressured their defender who passed the ball past their keeper only for the ball to hit the post.

FULL-TIME: FRAMPTON 6 FRYSS 2

Man of the Match – Chosen by Mark & Paul for some great play and great effort – **Liam**

The Game 2 line-up was:

Bradley W (Kaylum)

Tristen Ollie

Aran Kaylum

Substitute: James, Adam & Tyler

A fairly even start saw us defending very well with Tristen and Ollie making some very good tackles to stop Frampton from scoring. We then got a throw in which Tristen took and he found Aran who passed to **Kaylum** who took on one player and placed the ball in the back of the net **0-1**. We were then playing some good football, and there was a good tackle by Ollie who played the ball to **Aran** who went on a great run and then hit a shot that flew into the back of the net **0-2**. Frampton then started to pass the ball well and when Aran was tackled they quickly moved the ball up the pitch to their striker who passed the ball past Bradley **1-2**. Some good play by James saw him pass the ball to Kaylum who shot just wide. From the goal kick they cleared the ball out wide and they got to the corner, from which a great cross found their striker in space to powerfully shoot past Bradley **2-2**. Tyler got the ball and passed to James who went round two players and shot just wide. We were attacking well and were unlucky not to score when Adam went on a great run and shot only to see it blocked when it looked like it was going in. As the half was coming to an end James went on a great run then

passed to **Kaylum** who went on a silky run and a great finish **2-3**.

HALF-TIME: FRAMPTON 2 FRYSS 3

Frampton were attacking and got a shot away which Bradley blocked for a Frampton corner. The corner went to one of their players who hit an unstoppable shot in to the top corner of the net **3-3**. It was a very even game with both sides playing really well. A good shot from Bradley was blocked and went for a corner. A good throw out from Kaylum found Tyler who showed some great skill and took on two players and passed to Aran who hit a shot that was saved well by the Frampton goalkeeper. From the kick-off for the fourth quarter Bradley and James played a lovely one-two which left **Bradley** in space and he took the ball to the edge of the area and hit a great shot into the back of the net **3-4**. From the kick-off Frampton attacked down the middle and shot only for Ollie to block and Kaylum made a good save. Kaylum threw the ball out looking for Adam but the ball was intercepted and they shot past Kaylum 4-4. The game was looking like it was heading for a draw when we had a corner which went into the Frampton area, but they cleared the ball and had one player on the half way line who was on his own who got his shot away before we could get back to score with the last kick off the game **5-4**.

FULL-TIME: FRAMPTON 5 FRYSS 4

Man of the Match – Chosen by Gaz & Lee For his two goals and great overall play – **Kaylum**

OVERALL: FRAMPTON 11 FRYSS 6

Afterthoughts.....

A very good game of football with both sides playing football in the right way with some good passing from both sides. This was a game which showed how much we have improved this season as Frampton were one of the better teams that we have played this season. They have been together for two years and we gave them a very good game so well done to all of the boys.
