On a cloudy day and a slight mix with half the side going to the wrong pitch, we arrived to play Warmley. Andy was still away on his hols but we had a full squad of 17 players.

The Game 1 line-up was:

Keanu (Cory)

Kaylum Finlay W

Charlie Cory

Substitutes: Bradley G, Finlay M & Aaron

We started the game really well and a pass from Finn put **Kaylum** away who calmly hit the ball past the keeper **0-1**. Soon Charlie was on a run and crossed for **Kaylum** to score again **0-2**. We fell asleep for a minute and Warmley were through and Keanu had no chance as they scored a good goal **1-2**. From the kick-off **Cory** was away and took on three players and then put the ball past the keeper **1-3**. Not long after a great ball from Charlie saw **Cory** away to score again **1-4**. Charlie was playing well and found **Kaylum** again whose shot went in off of the post **1-5**. From the kick-off **Brad** got the ball, took on one player and shot into the top corner **1-6**. Brad then got the ball, took on two players and crossed the ball for **Cory** to finish the move **1-7**. **Brad** was quickly onto the Warmley players, went around two and

scored again **1-8**. Warmley attacked and took a shot from distance which Keanu was not expecting and the ball went past him into our net **2-8**. From the kick-off Cory went on a run down the wing and crossed it for **Brad** to score **2-9**.

HALF-TIME: WARMLEY 2 FRY 9

Kaylum got the ball straight away from the kick, and then powered forward to score **2-10**. Keanu got the ball from our defence and passed to **Kaylum** who was away again, and once again scored **2-11**. We were away once more and this time Kaylum crossed for **Charlie** to prod the ball home **2-12**. From the kick-off Charlie found **Finn W** who went on a run and shot from distance and the ball went past the 'keeper **2-13**. **Bradley** got the ball and ran into space and got to the edge of the area and shot giving the 'keeper no chance **2-14**. Keanu made a tackle and passed to **Brad** who took on two players and scored **2-15**. Then Finn M got the ball and saw **Brad** in space and he calmly shot past the 'keeper **2-16**. **Bradley** picked the ball up on the half-way line and with the whole crowd telling him to pass he went past a player and scored **2-17**. Brad then went on another run and this time he passed, looking for Aaron but the ball was intercepted by a Warmley player. **Bradley** tackled the player and then shot past the 'keeper **2-18**. **Bradley** made a strong tackle and then danced past a couple players and hit a powerful shot past the 'keeper **2-19**. A good tackle was made by Finn M who then found Keanu in space, who passed to Brad who passed back to **Keanu** who chipped the 'keeper to score **2-20**. Brad made a through

ball to Aaron who was clear on goal but shot just wide.

FULL-TIME: WARMLEY 2 FRY'S 20

Man of the Match – Chosen by Andy for excellent play and effort – **Fin McGuinness**

The Game 2 line-up was:

Bartus (Tristen)
Tristen Finley W
Bradley W Liam

Substitutes: James, Aran, Tyler & Ethem

It wasn't long before Frys went ahead with a good finish by **Liam** after some good tackling by Finley **0-1**. He was lucky however not to pick up a yellow card after taking his shirt off celebrating, not sure who taught him that! After that a couple more chances for Frys went wide before Warmley sneaked back into the game with a couple of chances of their own, the first two saved by Bartus but the third put into the net **1-1**. Frys then continued to press and a good pass from Liam found **Bradley** who turned on the ball and side-footed past the 'keeper to make it **1-2**. Shortly after however Warmley broke through again and slotted the ball past Bartus who could do nothing about the finish, **2-2**. Liam grew into the game after getting his bearings and almost scored on a couple of occasions but couldn't quite hit the target. Tristan also battled really well and never gave up a single challenge. After some changes it didn't take long for Frys to take control with numerous chances to score mostly saved by their goalkeeper. **James** had three chances in one attack which the keeper made three good stops, the 3rd just about gathering it! He did however finally get his goal **2-3**. Then just before half-time **Aran** got onto the scoresheet after a throw in from Ethem, **2-4**. Ethem and Tyler had been solid in the tackles throughout the half.

HALF-TIME: WARMLEY 2 FRY'S 4

First Bartus hit the post after a good through ball from Bradley. Then Bartus was through

on goal after intercepting a long kick out from the keeper, but he pulled his shot wide. His moment soon came after Liam ran clear from the halfway. Bartus was in acres of space for a tap in but Liam went for goal, which was saved by the 'keeper but landed in front of **Bartus** who volleyed into the roof of the net **2-5**. **Liam** then scored himself after being put through by Bradley **2-6**. The next goal was scored by **Aran** who ran clear, past the last defender and then rounded the 'keeper tapping into an empty net **2-7**. **Aran** then scored again with a simple tap in after a pass from James **2-8**. The linkup between Aran and James grew as **James** scored two very similar goals, one after Aran had ran down the right and crossed in for a tap in **2-9**, followed by the same routine again for **James**, **2-10**. Aran was then through again with Tyler alongside hoping for a square tap in from his mate, however **Aran** who was on fire, scored again with the keeper having no chance **2-11**. Aran then had a header shave the post after a good free kick from Ethem. The final goal was scored by James similar to the other two with Aran running down the right leaving **James** to tap in the cross **2-12**. Ethem & Bradley in the second half deserve a special mention for their excellent defending and were both happy to be last man despite the scoring spree!

Afterthoughts.....

We do feel sorry that any team have to be on the end of that score line, especially as we were in that position just a year earlier. Also, Warmley are a nice team, with a Management team who look to play attractive passing football regardless of the situation, something that we want. Despite the boy's enjoyment at the score, there were moments that we as a Management team enjoy beyond the score, things like the link up play between players, the passing for each other and those who unselfishly stay back and hold the fort, allowing others to grab their fill of goals. We need all of those players, all of those attributes and more as we grow and learn so well done and keep it going.
