FULL-TIME: FRYS 5 YATE UTD 2

The Game 2 line-up was:

Ethem

Bartek Keanu

Bradley G Liam Charlie

Oliwier

We welcomed Yate for the first time to Keynsham on Remembrance Sunday. As it was Remembrance Sunday, we were missing a few players with Finlay, Cory, Tristen, and Bradley W unable to make it. Andy was away and due to other commitments, the match reporter was unable to do a full report for this game against a team that had won well so far this season and had comprehensively beaten us at a tournament earlier in the Summer.

The Game 1 line-up was:

Alfie

Ethem Finley

James Kaylum Tyler

Aran

Yate were quickly out of the blocks, or we might have been slow to start which is something we do from time to time, and before we had settled Yate had managed to confidently stride in to a 2-0 lead. We then started to play our football and the boys showed great character and fighting spirit and with goals from **James** and **Aran** had gotten us back to 2-2 at half time. For most of the 2nd half it was a 50/50 game with neither side able to get the upper hand. Yate started to tire, and we started to move the ball around really well and, in a flash, **Aran** had got another three goals to give us a comfortable looking 5-2 win, but the reality though was that the boys had to work really hard for the win and on another day it could have been much closer.

As in the first game Yate started well and we did not get going in the first half with Yate totally in control. We struggled to get out of our half, and we were lucky to go in at half time only 3-0 down with some great defending from Keanu and some good saves from Ethem keeping the score down; the other boys were struggling with a lack of defenders in the team. A change of formation at half time seemed to galvanise the boys and we were the team in control in the 2nd half and the passing from all the boys was amazing to watch and we came back at Yate with a goal each for **Bradley G** and **Oliwier**. Yate got another one to lead 4-2 but we carried on playing some great football and two more goals for **Bradley G** saw us level the game and if the half was five seconds longer Liam may have got the winner but was stopped as Lee blew full-time.

FULL-TIME: FRYS 4 YATE UTD 4

OVERALL: FRYS 9 YATE UTD 6

Afterthoughts.....

What a great game; both Yate and ourselves showed great respect in the minute's silence. All the boys showed great character as both teams took a while to get going and went behind in both games by a couple of goals, and with no subs in each game gave great energy so that we were the stronger team at the end of both games; in Match 1 coming from behind to win with ease and in Match 2 from three behind to get the draw and if the game was a bit longer would have got the win. Well done all.
