U12 MATCH REPORT U12 MATCH REPORT

Our 2nd cup game and for the 3rd time this season we were playing a match against a Keynsham team. This time it was their Colts team; we were due to play them at their place but due to a double booking we invited them to Somerdale on a warm Autumn Day. As with the last Cup match everyone was invited, however Ethem and Tyler were unavailable.

The line-up was:

Alfie
Finley Tristen Cory
Josh James Bradley G Bradley W
Bartek

Substitutes: Kaylum, Keanu & Oakley

We started well; Bradley W picked the ball up in midfield and played a lovely ball to Bartek who took a touch before shooting low, the goalkeeper saved down low. Their goalie had a big kick, but Tristen was reading the situation well taking a few steps backs to get to the ball first and play it out. They had a bit of pressure as we were slow to get going from a corner and they got a shot away, but Alfie saved. This was our wakeup call and a great ball from Bradley G found James who unleashed a bullet of a shot that just went wide. We were putting them under pressure and won a corner which James whipped in, and it came back to Cory whose shot was deflected just wide. From the next corner the ball came back out to **James** who cut inside before shooting hard and low and although the 'keeper tried, he could not keep it out **1-0**. Keynsham kept going and were passing the ball around well and only a good tackle from Josh stopped them getting in on goal. We were good going forward and some lovely interplay between Bradley G and James saw James in the clear and he cut the ball back to **Bradley W** who unleashed a fantastic shot into the top right-hand corner **2-0**. Finn won the ball in defence and got past his man then played the ball inside to Josh who played a great ball to Bartek who struck a crackerjack of a shot which flew

just wide. We were now dominating without creating too much but a long range shot from Tristen almost went in. A fantastic ball from Bradley G found James whose shot was well saved by the 'keeper. From the goal kick Bradley G got the ball, went around two players before passing wide to **Bradley W** who cut inside before shooting low into the corner **3-0**.

HALF-TIME: FRY 3 KEYNSHAM 0

A good run by Kaylum early in the 2nd half found Keanu who got a shot away that just went wide. We won a corner and James whipped the ball in and Bradley W got to the ball first and found **Kaylum** who shot hard and low into the bottom corner **4-0**. A good tackle by Oakley gave him five yards of space to run into and he got the ball to James who crossed into Bradley G who shot first time but just over. Some lovely play between the two Bradleys meant that Bradley W played a great ball to the overlapping Cory who whipped a first time cross into the box where **Keanu** volleyed the ball into the back of the net **5-0**. We were really dominating them and from a corner from James the ball came back to **Bradley G** who shot through a crowd of players into the back of the net **6-0**. We then all started to push forward, and we lost our shape, and the game became scrappy, Josh won the ball in the middle of the pitch and ran at them before shooting; the ball coming off the post before going behind for a goal-kick. The defenders were doing a great job and Finn's pace was preventing Keynsham get many shots away. From a quick throw from Tristen, he found Bradley G who switched it to James who played a ball inside to **Bartek** who drilled a low shot into the net **7-0**. We then all went looking for a goal and were leaving gaps at the back and we stopped passing the ball and doing all the good things that we had done for most of the game. Keynsham kept going and played a ball into the area and the striker got there just before Alfie to dink it into the net **7-1**.

FULL-TIME: FRY 7 KEYNSHAM 1

Afterthoughts.....

Apart from the first five minutes and last ten when we lost our shape, we were the dominant team. This was a game we won quite easily and at times played some great football and were passing the ball well which was fantastic to see. Well done everyone.
